Redwater quilters celebrate

By Maureen Barrett Cross

The Redwater Quilters Guild ended its year on a high note celebrating another successful year. The day included making reusable tote bags and visiting the Radway Quilt Shop, The Pea Patch Plot, to fill our bags! Pizza lunch from a local restaurant allowed us to socialize and chat about the year and begin to think about the coming year.

While following provincial guidelines and protocols, we have been able to continue our work in the community. Thanks to a financial donation from the Smoky Lake Kinettes, some private donations, and the generosity of our members, we were able to obtain essential supplies.

The Guild donated 60 quilts in 2021 and 32

Public service recognition

Former councillor Les Dorosh, along with his wife Joyce were hosted by council for recognition for his 11 years of public service as councillor. In addition to his councillor duties, Les has also supported most, if not all, not-for-profits in the community during the many years he has lived in Redwater. Joyce is also well known in the community for her volunteerism and her six years of service on Town Council. We appreciate all your support and service. "Les Dorosh has always supported Redwater, its youth, its seniors and its citizens. I am confident he will continue to do so and look forward to many more successes with him as a partner" Mayor Dave McRae.

Celebrating the life of Gerd (Garret) Christopher Busch June 7, 1974 to May 29, 2022

Garret loved life, and his memory will be forever imprinted on his family and friends and everyone he met. He was a jack of many trades, with a fond love of fishing, shooting pool, gardening, his beloved felines, and

(Bernie) Busch and Roland (RJ) Busch that meant the world to him. Many other family relations on the Sikora and Busch side also were part of his life, as big as both families are he always tried his best to stay in contact with everyone. A Celebration of Life

panning for gold and traveling miles to in search of garage sales or antique shops always looking for that next treasure. His involvement in the community lent to teaching and mentoring neighborhood children, too helping any neighbor that needed a hand. Garret's will continue on his next step in his journey and will be remembered by the love of his life Jayleen, and her two children Sierra and Taiten which he embraced as his own. Garret pre-deceased his father Gordon Busch and his three brothers; Micheal Yadlowski, Bernard

will be held on June 11, 2022 @ 1:00pm The service will be held at the Waskatenau Community Hall Followed by the gathering after to continue the Celebration of Life hosted in the gardens of Garret and Jay's home in the village. Food and beverage will be provided, although a potluck option to contribute. There is no obligation to bring anything except yourself as all that new him are welcome. On this day we will honor Garret's life and the resurrection of ones truth as the DeVine Glory of us lead the way.

Much Love and Light The Busch Family

RCMP ROYAL CANADIAN MOUNTED POLICE

The Redwater Detachment received 229 calls for service over the month of May. These calls included 2 assault with a weapon, 10 Break and Enters, 2 Frauds, 7 Mischiefs, 7 Thefts, 4 Theft of Motor Vehicles, and 18 motor vehicle collisions.

The month started off with the detachment receiving a call of a known offender failing to obey the conditions of his release. When police attended the residence to check and see if the offender was following his curfew, it was determined that he was not.

Additional follow up curfew checks conducted by officers resulted in the offender making it clear that he did not intend on following release conditions. As a result, officers applied for and were granted an arrest warrant which resulted in the offender being arrested in Fort Saskatchewan on May 30, 2022.

As a result of the investigation, Geordie Vern Wilson, 34, of Thorhild County, Alberta is charged with 5 counts of Failing to Comply with Conditions of a Release Order.

Geordie Vern Wilson was remanded in custody and is due next to appear in Fort Saskatchewan Provincial Court on June 9, 2022.

On May 5, 2022 at approximately 8:30 a.m. the detachment received a complaint of two males on bikes that were in the process of breaking into an abandoned residence within the town of Redwater. Officers responded immediately and located a 60-year-old male and a 55-year-old male, both from Edmonton, Alberta, breaking into the residence, with a window in hand. The two males advised that they were hired to complete renovations on a different residence within the town of Redwater. The males advised that they needed replacement windows in order to complete the renovations and thought that it would be alright if they took the windows out of the abandoned residence to use. As a result of their actions the two males are now facing criminal charges.

On May 19, 2022 the Redwater RCMP

received information from a neighbouring detachment that a stolen truck was traveling east on Highway 28 near Radway. Officers were able to locate the stolen truck and conducted a traffic stop. When police attempted to arrest the driver and remove him from the vehicle the truck sped off nearly hitting the officer making the arrest. A short distance later the male suspect abandoned the vehicle and fled on foot into a wooded area. Officers from the Redwater RCMP, Redwater Traffic, Smoky Lake RCMP, the Eastern Alberta District Crime Reduction Unit, and an officer from 'K' Division Police Dog Services saturated the area and conducted a search for the male suspect who was then located and arrested a short distance away. When arrested, the driver of the vehicle was also found to be in possession of a knife and brass knuckles.

As a result of the investigation, Mark Andrew Tremblay, 32, of Conklin, Alberta is charged with:

- 2 counts of Possessing a Weapon for a Dangerous Purpose.
- Flight from Police.
- Possession of Property Obtained by Crime Over \$5000.
- 4 counts of Failing to Comply with a Probation Order.
- Possession of a Controlled Drug/Substance (Methamphetamine).
- Resist Arrest.
- Unauthorized Possession of a Prohibited Weapon.
- Dangerous Operation of a Motor Vehicle.

In addition to the above charges there was also a Canada-Wide warrant for the arrest of Mark Andrew Tremblay as a result of a Parole Violation and being unlawfully at large at the time.

Mark Andrew Tremblay was remanded in custody and is due next to appear in Fort Saskatchewan Provincial Court on June 9, 2022.

Redwater Detachment received an anonymous letter from a concerned citizen regarding stunting vehicles in the detachment area. The letter identified individuals responsible for driving

in a careless manner and stunting on area roadways. I would like to take the time to thank this individual for the information that they provided regarding these incidents but would also like to discuss the roles and responsibilities that the public plays in the justice system and addressing illegal activities in their communities. There are many different ways that a police investigation can result in the laying of charges against the guilty individuals. Some of these are if police witness the act directly or if the investigation uncovers evidence leading to the people responsible. The vast majority of times, police end up charging the guilty party based on eye witness accounts from individuals that witnessed the guilty act and provide statements to police identifying the guilty party. When police receive "anonymous" information or information from individuals who choose not to provide statements or attend court, our abilities to lay charges on the individuals responsible greatly diminishes as most of the time there is not enough supporting evidence. You are the eyes and ears of your community. While anonymous information remains important to investigations, there are times when anonymous information cannot get the investigation over the finish line and result in the guilty party being held responsible.

The Redwater Detachment is seeking community feedback. In order to seek important input from all stakeholders, the Redwater RCMP will be completing monthly police briefs (like this one) in order to keep the public aware of our activities in the communities. In addition we encourage interaction and anyone with any inquiries, questions, comments can contact us at kredwatercommunityfeedback@rcmp-grc.gc.ca. All email submissions will remain anonymous. During each monthly police brief, members of the detachment will answer a few of the questions asked. We look forward to hearing from you.

The Redwater Renegades Grad 2022 banquet was a beautiful representation of how small schools build and grow big hearts! Congratulations Class of 2022! Wishing you the best on your next chapter in life.

Town-wide garage sale in Smoky Lake successful

By Irene van der Kloet

June 4th marked a town-wide garage sale for various towns in the region. The principle is straightforward: sellers wanting to be part of the town-wide garage sale sign up with the town for a small \$5.00 fee. They then get put on a list and a map. On the day of the sale, prospective buyers (shoppers) can work down the list and map for that one find that everyone hopes to come across in a garage sale. It pays to start early for the most comprehensive choice possible. On the flip side, coming late may be an incentive for the seller to drop the price more because every seller is in this for one main goal: to get rid of "stuff." A garage sale is much work for a seller and rarely a huge moneymaker, but it is

fun to meet people and help them find what they are looking for. The sale in Smoky Lake had 26 addresses listed among (non-profit) groups and individuals who opened their garages and yards to the public. It was a beautiful day, excellent for both sellers and buyers. With the farmers' market going from 10:00 to 12:00, there were two significant incentives for shoppers to come to town, but as

the garage sale and the farmer's market started at the same time, it made for a slower start of the garage sale. The late morning and early afternoon got busy with people cruising around town. And anyone who bought an item that - with hindsight - was not something they needed: they could simply put it in the next garage sale. Sellers and buyers can look back on a pleasant day of selling, buying and visiting.

OECD lowers global growth forecast

Annual real GDP growth estimates, 2022 OECD projections, %

By ATB Financial's Economics & Research Team

The Russian invasion of Ukraine and the ongoing battle against COVID-19 in China have led the Organisation for Economic Co-operation and Development (OECD) to lower its forecast for global growth.

The OECD now expects the global economy to

expand by about 3.0% in 2022, down from 4.5% in its December forecast.

“Growth is set to be markedly weaker than expected in almost all economies. Many of the hardest-hit countries are in Europe, which is highly exposed to the war through energy imports and refugee flows.”

Although hampered by the global tailwinds,

Canada’s economy is benefitting from high prices for natural resources and agricultural products. As a result, the OECD’s forecast for Canada in 2022 is largely unchanged from its December estimate (3.9% versus 3.8%).

Inflation will, however, remain a problem in Canada and around the world for longer than previously expected.

“A gradual reduction of supply chain and commodity price pressures

and the impact of rising interest rates should begin to be felt through 2023, but core inflation is nonetheless projected to remain at or above central bank objectives in many major economies at year-end.”

The World Bank has also reduced its global growth forecast. The Bank’s new estimate is for the global economy to grow by 2.9% in 2022 rather than the 4.1% it was anticipating in January.

Redwater School congratulated the Class of 2022 graduates during their ceremony on June 4 in the school gym. Photo by Grant Cree

June 8 was a great day for the school community of Redwater School to hold hands and come together to celebrate the indigenous culture of the members of treaty 6 territory.

Thanks to members of Alexander First Nations for the step forward they took us in understanding and celebrating the beauty your culture can add to others' lives.

We are grateful for the teaching through storytelling, drumming, dance, games, food, and the creation of art.
