### Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

# Waskatenau Braves Gold medal win

Waskatenau Braves stand united after their gold medal victory against the St. Albert Philies U18 team. The team has played together for several years, with players travelling from Smoky Lake, Thorhild & Waskatenau. Over the weekend of June 25 & 26, four teams from the Edmonton Rural & Recreational Baseball League (ER-RBL) U18 division took part in a tournament at Waskatenau. It was a round-robin format with first place overall playing second overall for the gold medal. The teams taking place were Beaumont BoSox, Leduc Giants 1, St. Albert Philies & the Waskatenau Braves. The weather was perfect the diamond was in prime condition. The gold medal game was between St. Albert Philies & the host team Waskatenau Braves. On June 28, 2022, at 12:30 pm, Redwater RCMP along with Alberta RCMP Traffic Services, Fort Saskatchewan RCMP, Eastern Alberta District Crime Reduction Unit and emergency crews responded to a motor vehicle collision on Highway 28 and Township Road 582 in Thorhild County, involving a pickup truck and a tractor trailer hauling an empty Super B tank. The tractor trailer was fully engulfed in flames due to the impact of the collision, and the adult male driver and lone occupant received minor injuries. The adult male driver and lone occupant of the pickup truck unfortunately succumbed to his injuries. This incident is still under investigation; however, it is believed the southbound pickup truck crossed the centre line and collided with the northbound tractor trailer. The RCMP send our condolences to all involved in this tragedy.

# The embroidery business in Smoky Lake busy soon after the start

By Irene van der Kloet

Businesses like to present themselves with a logo. They no longer need to go to the city to have their logo embroidered on clothing or hats. Naturally Northbank is a new embroidery business right in Smoky Lake. Emilee Feniak, owner and founder of Naturally Northbank, started the business 6-7 yrs ago out of her home, selling natural deodorants and soaps (hence the name). "People started associating the name with me so that I couldn't get rid of it. I always wanted an embroidery machine, and people told me I should embroider stuff. After the third child, I needed a break; once I finally got my first embroidery machine, I knew it was too big for my living room. I got a space at Pappy's (in the back), then it grew more, and I got my second machine and even started screen printing. Screen printing is where you put ink on clothing permanently. It takes a long time to set the screens up, but it is easy and quick once that's done. That is why with pricing, the more you buy, the cheaper you are. It takes about an hour to set up a logo on the embroidery machine and tell the machine where to put the stitches," Emilee says about her business. She self-taught and learned how to do embroidery through YouTube. "I bought my first embroidery machine used. The lady that

sold it to me was very helpful in training me on how to use it. There is also always an answer on YouTube," she explains. The company in Calgary where she bought her second machine is also very supportive. "I love doing this, my heart is in it, and people's feedback is also very encouraging. I welcome the feedback from people". Lots of local places come to her; word-of-mouth is enormous. Facebook helps find clients. "I haven't had to do big advertising yet; word-of-mouth is sufficient so far," Emilee smiles. She partners with Katelynn and Alyson (MadebyK&A); she sends clients to them if she thinks it is more up their alley and vice versa. Asked how she sees the future of all this, she doesn't know. If someone had asked her this four months ago, she got the odd order and would not have dreamed of being as busy as she is. Now she gets huge orders, primarily because she price matches, and mostly, her prices are lower because she wants items to be affordable for people. She wants to accommodate smaller businesses that do not order many items. Naturally Northbank is open Mondays from 12-4 and Tuesdays, Wednesdays, Thursdays and Fridays from 9-4. Emilee Feniak can be reached at 780-656-0661. The business is on White Earth Street in Smoky Lake (Pappy's building).

Sturgeon County wants resident input on what should be in Budget 2023. Your feedback will help Council in their decision-making process for Budget 2023, and it will ensure the budget reflects the community's values.

his biggest challenges are getting accustomed to the necessary paperwork and finding enough equipment for all participants. "But that's a good thing," he

laughed. "We have a whole bunch of sports equipment for us to use, but feel free to bring your equipment."  
Community Services Coordinator Jennifer Edworthy pointed out that Graham's employment

position is thanks to support from various levels of government. "We were fortunate to get this project put in the capital budget from the town of Redwater," said Edworthy. "So just recognizing that the

community could use some options together, especially after COVID, we hope to have Pembina Place be the hub of the community and see it active and used by all ages, all summer." Edworthy credited

the Canadian Park and Recreation Association and the Government of Canada for providing access to grant funding. "That provided our summer student, Everett, a job as Recreation Facilitator, and

the position is free to the town," she said. "Our Mayor and Town Council is very supportive of the project, and they're planning on coming through the facility when they get the chance."
