Heritage Corner Shoppe in Bellis: a great place to find collectibles

By Irene van der Kloet

Some people like to furnish their house with brand new items, while others prefer searching second-hand and antique stores. The latter category should check Eva Farmer’s antique and collectables store in Bellis. Eva and her late husband Jim had an antique store in British Columbia between Prince George and Prince Rupert when they came to Bellis to visit family and bought

Eva Farmer in her antiques and collectibles store. As the coffee cups on the table show, people not only come to check out antiques but also to visit,

Thorhild County kids day camp

By Myrina Carter

Last week, Thorhild day camp celebrated 25 years of ministry at the Koinonia Retreat Centre, located a few miles outside of Thorhild. The camp was hosted and offered free for children from kindergarten to grade six. The Newbrook Wesleyan Church put on the event; Gary Hyde and his team of volunteers from the community came together to share a teaching on “God’s plan for you.” Thorhild Living Gospel had 20 teen and young adult volunteers through the leadership program who gave their time to help and assist throughout the week.

The children were offered chapel services in the morning, which included the story of creation, the tellings of

Adam and Eve and the beginning of sin, the gift of Jesus, and Jesus’s death to build a bridge between God and us. The final day led with the great commission and how we share God’s love with friends and family. Hyde stated, “we picked this theme because of how crazy the world has been, and kids have questions about why bad things happen when trying to be good people. We are trying to teach the children despite the bad things, and God is there to help us through those challenges.”

Children enjoyed snacks and juice provided by the camp, and Friday, the final day of camp, included a barbecue where all parents and family were invited

SUDOKU

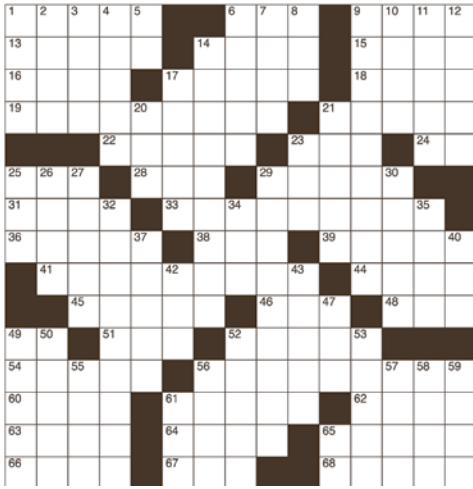

CROSSWORDS

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Level: Intermediate

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

to attend. The camp also included many crafts and activities for all ages to enjoy. Younger children were excited as they created wind chimes and candles from decorated tin cans. They also made cement steppingstones beautifully decorated with gems

and rocks. The older kids had been busy all week with a more intensive craft, where they built and decorated go carts which led to a Friday afternoon race at the family barbeque. Children worked together to push go-carts around the track in the big race, which added some friendly, fun competition to the end

of camp. Hyde said, "I would like to thank everyone who helped from the community and the churches for all the amazing assistance they provided throughout the week! The camp was a huge success, and I am grateful we have the privilege to teach our youth about God and his love."

CLARK, MELVIN RONALD

May 17, 1946-July 26, 2022

It is with great sadness that the family of Melvin Clark announce his sudden passing on Tuesday July 26, 2022 at the age of 76. Melvin will be missed by his loving partner Doreen Geislinger; his children, Sheila (Brian) Reed, Neil (Marina) Clark, and Craig (Jacqueline) Clark; his eight grandchildren Laurel Reed, Kaylee Reed, Alayna Reed, Cainwyn Clark, Ainsley Clark, Hayden Clark, Kody Clark and Imogen Clark. He was predeceased by his parents, Harold and Mary Clark (nee Claeys) of Namao, Alberta and his siblings Shirley Story and Brian Clark.

Melvin grew up on the family farm near Namao and was the eldest of Harold and Mary's three children. He was very active on the farm and developed a love for machinery, animals and working with his hands. As a young boy, Melvin was a member of the local 4-H club which he would eventually become the leader of as a young adult. After High School Melvin attended Lakeland College in Vermillion and was a proud member of the alumni, frequently attending the annual reunions at the school. Melvin and his wife, Norma Rigney, raised their three children (Sheila, Neil and Craig) on the family farm where he was raised. Along with farming Melvin drove bus for the local school division, a job he proudly did for over 40 years. Melvin enjoyed playing hockey, a passion he passed on to his children and grandchildren. Melvin also continued his leadership role in 4-H as a leader of the Sturgeon Clever Clovers club and Bon Accord Beef Club. Melvin was inducted into the Alberta 4-H Hall of Fame in recognition of his contributions to 4-H. In his 50's, Melvin found a passion for cattle penning and would travel all over Alberta for different penning events. After Melvin stopped riding, he continued his involvement with cattle penning through judging different events. Melvin was also an active member of the Strathcona Vintage Tractor Association and was getting ready to participate in this year's tractor pull. Melvin had a passion for many things and kept himself busy on his many projects and ideas. Melvin loved to learn, create and be involved in anything that interested him.

Melvin has been described as a very social person, he would go out of his way to say hello to anyone he knew. He was always willing to help his family and friends repair or fix anything that wasn't working and was a wealth of knowledge on older machinery. Melvin was incredibly talented and could often learn something new without much instruction. He loved going to watch his kids and grandkids compete in sport and would always proudly wear a hat with the team logo on it. He will be missed by so many.

Plans for a celebration of life are in the works and will take place once the family finalizes the plans. Arrangements entrusted to the care of Sturgeon Memorial Funeral Chapel (780) 921-3900.

The storefront of the Heritage Corner Shoppe in Bellis, it can't be missed when driving into Bellis.

Continued from page 1

the hotel. They started the store in Bellis in 1988 and have been in the current location for twelve years. They used to go to auctions to get their items or to wholesale shows.

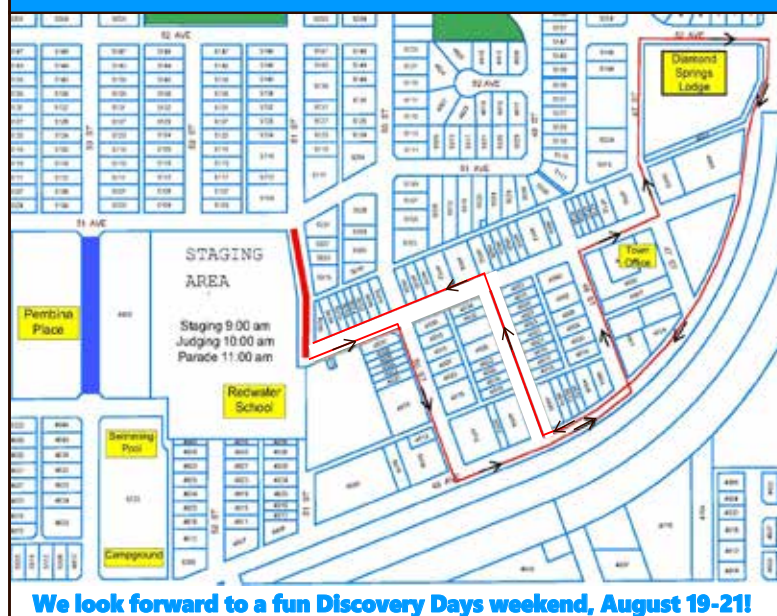

"Then people would phone saying they don't want to do a garage sale but would like to sell their stuff to us. I discouraged people from bringing stuff to the store because I ended up with items I didn't want. Now I go to different stores such as the restores; I already know what people want and will look for that item." Eva stays active and goes to the city at least once a week to find collectibles and items people have been asking for. She checks stores for antique items but cautions about what is 'antique.' Some stores sell items as antiques that aren't, but Eva never sells anything as antique that she knows a fake. "Nowadays, they are very good at making something look old; it takes experience to develop an eye for what is antique and what isn't. My husband knew his stuff and knew what was old and what wasn't. He would clean

bigger items that had been sitting in a grainery for a long time and make them look nice again. It has been quite difficult without him being there, so I don't have as much furniture; I focus on the smaller stuff". She enjoys doing what she is doing, selling antiques and collectibles and talking with people that visit her store. Anyone entering the store will notice that it smells good and is not dusty at all, as expected from an antique and collectibles store. Eva dusts everything and keeps it neat. "I cannot imagine having nothing to do, I just keep going, and I love running the store," Eva comments. If she has an item that doesn't sell, she donates it to another store, but most of the stuff she has will go one year or another. "My

advertising is 'by chance or by appointment,' and during winter, I am not always open," Eva adds. "I enjoy what I am doing and love people; I like to visit with clients." Her son helps her as much as he can with oversized or heavy items; still, she tries to do as much as she can but appreciates help if people offer it. She gets many people out of the area into her store, mainly during summer. People will tell others which brings in other clients. "If you have a good collection, people will come, no matter where you are," Eva concludes. Heritage Corner Shoppe Antiques and Collectables is open Wednesday thru Saturday and Monday from 10-5 and can be reached at 780-636-3937. The store is located on the main street in Bellis.

Alberta RCMP officer involved in shooting in Smoky Lake

On August 8, 2022, at 7:27 am, St. Paul RCMP were making efforts to apprehend two individuals who were suspects in several ongoing police investigations. The two suspects, a man and a woman, were believed to be in Saddle Lake Cree Nation. St. Paul RCMP located the two suspects in the area of Saddle Lake Cree Nation, and an interaction occurred, ultimately leading to a confrontation between police and the suspects that resulted in officers discharging their service weapons. During this incident, part of highway 28 near Smoky Lake Centex was closed off,

and local Crime Watch members were summoned to warn the population to stay indoors on lockdown. As a result of the confrontation, one suspect is deceased, and the second suspect has been transported to the hospital in critical condition. No RCMP officers have reported physical injuries as a result of this incident. A substantial number of resources were deployed to a large geographical area to provide support and manage risk to the public throughout this investigation. St. Paul RCMP continue their original investigations, and the Alberta Serious Incident Response

Team (ASIRT) has taken over the investigation into the circumstances of the officers involved in the shooting. The Alberta RCMP believes in processes that seek the facts, and it's important that processes taken to assess the actions of all those involved, including the police, are fair, transparent and defensible. This is why, as soon as the RCMP became aware of this incident, the Director of Law Enforcement was immediately notified to initiate an internal review process. Independent of ASIRT's investigation, the Alberta RCMP's internal review process has been

During the incident, as a precaution, an area around the Centex gas station and part of highway 28 was closed off to the public.

implemented to gather a complete account of what took place during this incident. RCMP training, policy, police response, and the duty status of the members

involved will be subject to review. The Alberta RCMP is, of course, fully cooperating with ASIRT and will not comment further on this incident. All media

inquiries about this incident should now be directed to ASIRT at 780-641-9099. Source: RCMP media release and a local Smoky Lake Crime Watch source.
