How do farmers keep busy during the winter

By Myrina Carter

As the harvest season ends, many farmers are preparing for winter. Most people think this is vacation time for many farmers, but that is untrue. Many farmers are busy cleaning and fixing equipment, shopping for new equipment for the following year, and many review recent research and ideas.

Farmers ensure all their farming equipment is in working order and top shape, which helps minimize problems while in the

Shaun Fried, a local farmer in Redwater, lines up four combines along with a grain cart at the end of each day for planned and organized unloading. Along with making it easier to clean and maintain, and ready to go for the next day and fueling. **Photo by: Nicole Fried**

New Operation Christmas Child Drop-Off in Redwater

By Megan Suitor

This year the Redwater Alliance Church will be the new area drop-off location for Operation Christmas Child shoeboxes. Operation Christmas Child is a program that is run globally by Samaritan's Purse, delivering Christmas gifts packed in shoeboxes to children throughout the world. The shoebox program is now in its 29th year and has delivered 188 million shoebox gifts to children in more than 170 countries and territories.

Shoeboxes are packed with small gifts, hygiene items, school supplies and toys by community members, and then shipped to children in need. Samaritan's Purse volunteers distribute the gifts within communities, providing a gift of hope and love.

Megan Suitor, the area team leader, is looking

to put together a team of volunteers for the week of November 14 to 20th to collect and organize the shoeboxes at the drop-off location.

"We are hoping to make this a true community project. To have volunteers working together from Redwater and the surrounding communities," said Suitor.

Empty shoeboxes are already available for pick-up from the Redwater Alliance Church, but gifts packed in regular shoeboxes are accepted as well. A donation of \$10 per box is appreciated to cover the cost of shipping and processing, with tax receipts available for donations of \$20 or more.

For more information about the program, details can be viewed at samaritanspurse/occ.ca. To volunteer please contact Megan Suitor at mdsuitor@gmail.com.

80-84-90-100 years old and still counting!

Sandy Rogoza with his two remaining sisters - Olga and Verna. Sandy is the youngest, and Verna is the oldest of all eight children.

By Sandra Stor (Rogoza)

A 100-year-old in the family? Not as rare as it used to be, but what is definitely rare and special is having an 80-, 90-, and 100-year-old in that same family. Then add in an 84-year-old, and you have something truly remarkable.

Sandy Rogoza, the youngest of eight children to Gregory and Wasylena Rogoza, who homesteaded in Edward, Alberta, just turned 80. What's most astonishing is that he still has an 84-year-old

H.A. Kotash School News

Cheese puff anyone?

In order to determine the number of calories in a cheese puff, H.A. Kotash School students in Smoky Lake conducted a calorimetry experiment in their Chemistry 30 class. Students placed a known mass of cheese puffs into a container of water and measured the temperature change that occurred. From this, students were able to calculate the number of calories in each cheese puff.

H.A. Kostash Senior Volleyball teams had a great start to their season! The girls finished in third place and the boys came in fourth place. Great job to the students and coaches for making this possible.

Continued from **page 1**
 field the following year. Checking belts, pulleys, chains, and bearings, then replacing those parts that are worn out—planning and strategizing is a large part of farming crops, how to rotate crops, learning how different crops performed and even looking into weather conditions. Throughout the winter, finances are reviewed, taxes are prepared, and

fertilizer and seed rates are investigated. Farmers also plan out next year's production and sales goals and devise a food safety plan for farm operations. This also includes maintaining water and food sources for livestock throughout the cold winter months. Some farmers also roll up and test drip tape, roll up row covers, pick up hoops and find places to store everything. Local to the Redwater

area, Nicole and Shaun Fried are farmers who follow along with grain-grown crops yearly. During the winter months, they carry on distributing their products. Nicole Fried said, "We are a strict grain farm, and after our harvest season, we move onto grain handling during the winter months. We would fill our contracts and haul them into elevators whether it was put into bags or bins."

Electronic recycling roundup in Redwater

By Myrina Carter

The Redwater Library is hosting an electronic recycling roundup for the town of Redwater. Community members can bring any old and unwanted electronics to 4915 48 Street on October 15 from 11:00 am to 2:30 pm. Declutter your home or office and join the Redwater Libraries fundraiser and recycling day.

The Redwater Library will be accepting items like all-in-one computers, TVs, and monitors. Along with printers, copiers, scanners, and fax machines. Even

if you have any old laptops, notebooks, and tablets, they will take them. To help keep the environment safer and healthier, the community may recycle small appliances, audio visual, telecom devices, power, and air tools. Are your kids all grown up and moved out? The Redwater Library will also be accepting toys, gaming systems and controllers. Maybe your garden shed is getting too full of older lawn tools; they will also accept those.

There are many advantages to recycling electronics saving

landfill space, keeping natural resources, increasing employment, and increasing affordability. The metals used in electronics, such as iron, aluminum, and gold, erode and can release horrible and harmful toxins into the soil. Toxins secreted into the soil kill plants and microorganisms living in landfills, destroying ecosystems and worsening the environment's health. Toxins can spread through the soil and eventually reach water sources; recycling electronics and keeping them clear of landfills

can be beneficial and reduce waste. Saving natural resources means the metals like aluminum and copper can be reused multiple times. Reutilizing other electronics allows for little to no waste. Recycling can also include glass from electronic devices, manufacturers reuse the glass, so it doesn't go to waste, saving time and money making new glass. Many jobs are included in the recycling

field; they require a sharp eye and quite a bit of product knowledge. Just by recycling, several people can obtain a job which means more financial stability for our communities. Recycling old electronic devices could also mean donating them to charity or a second-hand shop; this allows other people to purchase the product at a lower cost. Saving the environment from being

destroyed further is the most crucial benefit; families or individuals can adopt a healthy habit of recycling electronic waste. Every little bit helps and makes a significant difference in the long run and should be considered a necessity. Let's work together as a community and join the Redwater Library on October 15 with all our old and unwanted electronics.

Older electronics like the Wii and Nintendo are great examples of what to recycle or donate; many resources may be pulled off of items like these and be repurposed.

Annual Feledichuk Curran Memorial Slo Pitch Tournament

well as the sponsors who helped make this year's tournament a success.

This year's winning team of the Paul Feledichuk Memorial trophy was Half Committed from Westlock. Top Dogs from Clyde were the "A" Final Runners up for the tournament, and The Benchwarmers from Thorhild won the "B" Final. The recipients of the Cyril and Joan Curran Memorial Homerun Derby were Marcus Euverman and Brittney Feledichuk.

The organizers would like to thank all teams for participating in the annual fundraiser tournament. To date this annual Feledichuk Curran Memorial Slow Pitch Tournament has raised \$33600. for local community groups. The tournament organizers are looking forward to next years tournament.

On July 8-10, the Feledichuk family hosted the 6th annual Feledichuk Curran Memorial Slo Pitch Tournament. Every year the Feledichuk family chooses a local recipient of the funds raised from the ball tournament. This year \$6000.00 was raised and donated to the NewThoRad Seniors Lodge. Virtual Reality 3D goggles were purchased with the funds giving residents at the lodge

the ability to do many recreational activities. The remaining money will be used for recreational outings.

The tournament hosted 8 local and visiting teams, all of which were happy to be back on the diamonds after the tournament was postponed two seasons in a row, due to provincial restrictions. Huge thanks go out to Thorhild County for the use of the diamonds as

Pumpkin Fair turnout exceeds expectations

The public showed great interest in what the vendors were selling. It was a coming and going of people both at the Ag Complex and at H.A. Kostash school.

Some very old models in excellent condition presented themselves in the car show. This is a 1932 Ford.

By Irene van der Kloet

On October 1st, Smoky Lake confirmed that it is the Pumpkin Capital of Alberta: At the pumpkin weigh-off, Don Crews from Lloydminster was the winner with a 2537 pounds pumpkin, the biggest in Canadian history! After one year of total cancellation (2020) and another year with an outside farmers' market only (2021), the Smoky Lake Pumpkin Growers Association and local help went full out in a celebration that has yet to meet its counterpart. It paid off with a massive turnout of an estimated 4500 visitors (or many more?) attending the Pumpkin Fair. No count was held, so one can only guess. Though the weather was not very cooperative, with a thick fog in the morning and grey skies, visitors started streaming into town from near and far at the earliest hours to secure a parking spot. Parking was arranged around the AG Complex, but all streets between downtown and

the complex filled up quickly. Shuttle buses ran from the complex to downtown and back all day long. The day started with a pancake breakfast by the Smoky Lake Kinettes. Downtown, the Smoky Lake Iron Cruisers hosted a fabulous car show with various makes and models from way back when to more modern times, all shined up for the occasion by their proud owners. Street vendors lined the sidewalks, the Seniors' centre held its annual garage sale, and Blue Horse Gallery hosted an Art Show. The farmers' market inside and outside the Ag Complex attracted so many visitors that it was hard to get through, and it looked like vendors did good business there. Across the street were children's activities, a petting zoo, a carousel, and other entertainment. The souvenir stand sold toques, hats, sweaters, hoodies and T-shirts. Many people had counted on a warm sunny day but decided they needed an

extra layer to stay warm, for, within no time, the souvenir stand sold out toques and warm clothing in the most common sizes. Those who came later had to settle for a much larger or smaller sweater, but anything to stay warm. Since Smoky Lake is a small town, it was easy to get around on foot and visit every attraction, but the buses stopped at every attraction, such as the smaller farmers' market at H.A. Kostash school. The public was treated to beer gardens, a perogy supper at the Curling Rink, Wine Tasting at Gopher's Liquor, and a pig roast. After all, on a busy day like this, a person needs fuel to keep going, which was looked after by several vendors and businesses throughout the town. The pumpkin weigh-off and auction were the top attractions, followed by the Pumpkin Drop. The sun finally came out at that time, leaving a warm, sunny impression of a well-organized and successful Smoky Lake Pumpkin Fair 2022.

SEEKING A DENTAL RECEPTIONIST/ CHAIR-SIDE OFFICE AIDE
(Non-certified, extra-oral duties)

SEEKING A REGISTERED DENTAL ASSISTANT

2 positions available in busy, well-established Dental Offices located in Smoky Lake & Thorhild

We have long-term team members that are retiring so the start dates are flexible.

- We are willing to provide hands-on training
- Great for someone who is interested in a career or a recent Dental Assisting Program Graduate
- The positions require individuals that want a long-term commitment

The qualified candidate must meet the following criteria:

- Canadian Permanent Resident/Citizen
- Work in a fast-paced environment but still be attentive to details
- Must be able to multi-task well
- Good attendance record and strong commitment to learning
- Positive attitude and hard working
- Comfortable on the phone
- Exceptional customer service in a professional office
- Competent with computers
- Professional appearance
- Registered Dental Assistant must competently perform all intra-oral duties

Serious inquiries only. 12+ months of initial training will be required for someone with no dental experience. If you have dental experience already, this will be an asset and require a shorter training period.

If interested, please apply by forwarding your cover letter and resume to darylwc@mcsnet.ca.

Only suitable candidates will be contacted. Thank you!

NOTICE OF PUBLIC HEARING

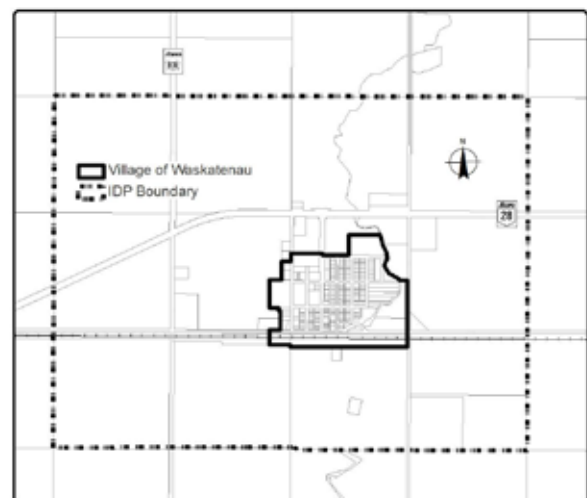

Intermunicipal Development Plan

Pursuant to the Municipal Government Act, R.S.A. 2000, Sections 216.4, 606 and 692, the Council of Smoky Lake County & the Council of the Village of Waskatenau, hereby give notice of their intention to adopt:

Smoky Lake County Bylaw No. 1424-22:
Smoky Lake County & the Village of Waskatenau Intermunicipal Development Plan
&
Village of Waskatenau Bylaw No. 697-2022:
Village of Waskatenau and Smoky Lake County Intermunicipal Development Plan

The purpose of these Bylaws is to adopt an Intermunicipal Development Plan between Smoky Lake County & the Village of Waskatenau.

The affected area for Village Bylaw No. 697-2022 & County Bylaw No. 1424-22 is shown on the map below.

THEREFORE TAKE NOTICE THAT pursuant to Sections 606 and 692 of the *Municipal Government Act* a joint public hearing to consider the proposed Bylaws will be held:

Date: October 25, 2022
Time: 9:15 am
Place: Village of Waskatenau Office
5008-51st Street, Waskatenau, AB
& Virtually via Zoom Platform
<https://us02web.zoom.us/j/88274905934?pwd=RnhKSmlSZjRvcVR0MFZwChQ0Q0VUQT09>

AND FURTHER TAKE NOTICE THAT anyone wishing to make a verbal or written representation may do so at the hearing, or by providing the representation to the County's Chief Administrative Officer or the Village's Chief Administrative Officer, before 12:00 p.m. on Thursday, October 20, 2022. *It would be beneficial for individuals to provide advance notice to the Village of Waskatenau at (780) 358-2208 of their intention to make a presentation at the hearing.*

AND FURTHER TAKE NOTICE THAT a copy of the proposed Bylaws may be inspected at the Smoky Lake County office & the Village of Waskatenau office during normal business hours.

To obtain more information regarding the proposed Bylaws, please contact:

Jordan Ruegg, Planning & Development Manager, Smoky Lake County – Phone (780) 656-3730 or jruegg@smokylakecounty.ab.ca
OR
Bernice Macyk, Chief Administrative Officer, Village of Waskatenau – Phone (780) 358-2208 or waskvillage@mcsnet.ca

Local Redwater artist makes debut in “Featured Artists”

By Myrina Carter

Deb Laninga local Redwater artist, applied for “Featured Artists” well over a year ago, which is where artists from all over Alberta get to showcase all their art pieces. The artists are then chosen by a jury of Allied Arts Council of Spruce Grove members, and Laninga was selected to partake in the showcase this year.

Laninga has been doing art since she was a small girl in elementary school. She won all sorts of awards throughout her lifetime and carries two degrees in aviation and fine arts. Starting her main focus was drawing and acrylic painting until she took a sculpting course in 2014. That is when her love for sculpting blossomed. Laninga makes realistic sculptures done in bronze or cold-cast bronze resin and range in size from one-quarter to one-third life scale. Laninga said, “I realized I am a sculptor; I think in three dimensions.

After attending a sculpture anatomy course in Las Vegas, Nevada, I became a full-time artist. I have had sculptures shown in exhibits around Alberta and Vancouver and received many awards.”

At “Featured Artists,” Laninga’s artwork may be seen at the Spruce Grove Gallery, inside the library at 35 5 Avenue, Spruce Grove. Many sculptures will be shown of the local artists from October 24 to November 10, along with a reception hosted on October 29 from 1:00 pm to 3:00 pm where any guests who attend can meet and converse with Laninga.

Laninga said, “It is an honour to be a “Featured Artist” and have several of my sculptures shown at once. I am also nervous as I haven’t had a reception or opening. It is exciting, and my biggest hope is that all viewers enjoy the exhibit. My pieces are often about hope and connection. I cannot wait to see everyone there.”

Local artist Deb Laninga makes her debut as “Featured Artist” at the Spruce Grove Gallery, having the opportunity to showcase many of her beautiful sculptures, including this sculpture of a young girl and her horse symbolizing embracement. **Photo by Deb Laninga**

Redwater School DNA

Ms. Redding’s Grade 9 science students have been learning about DNA, genetics and heredity. As part of their topic review, students constructed their own DNA sequences, and turned them into edible models with marshmallows and licorice. The students had a lot of fun making their DNA models.

Volleyball practice at Holy Family Catholic School in Waskatenau

Miss Ringuette and Miss Hirschmann work hard to ensure their students have the best volleyball education possible! They are determined to create a fun and safe environment for their students to learn and grow in.

LAND USE BYLAW UPDATE OPEN HOUSE

THORHILD COUNTY LAND USE BYLAW UPDATE

OPEN HOUSE (IN-PERSON)

Date: Thursday, October 20, 2022
Time: 5:00 p.m. – 8:00 p.m.
Location: Thorhild Legion Hall, 5 St & 5 Ave, Thorhild, AB T0A 3J0

Thorhild County's Land Use Bylaw establishes rules and regulations for land development and regulates how land can be used, what can be built, where it can be built, and establishes the process for making decisions on development permit applications.

The Land Use Bylaw is undergoing a full review and update since its adoption in 2015.

Thorhild County invites residents to the Land Use Bylaw Update Open House on Thursday, October 20, 2022, between 5 pm and 8 pm at the Thorhild Legion Hall, 5th Street - 5th Avenue, Hamlet of Thorhild.

This is an opportunity for residents to learn more about the project and provide feedback. For details about the Land Use Bylaw update and additional information, please visit <http://thorhildlub.udconnect.net/>.

**DISCRETIONARY USE PERMITS ISSUED
APPEAL BY OCTOBER 18, 2022**

Did you know?

Thorhild Landfill's business hours for public drop off are **Monday from 8:00 am to 5:00 pm** and **Friday from 8:00 am to 5:00 pm**. County residents arriving at the Thorhild Landfill will drive through the scale, show the scalehouse attendant their County ID card, and then proceed to the waste and recycling drop-off area on the right side after passing the scalehouse.

Residents can drop off household waste and recyclables like plastics, cardboard, tin cans, and other items such as paint, tires, electronics, used oil, wood, etc.

A NOTE ABOUT WOOD: Wood can be deposited next to the chemical building, but only tree trimmings, brush, and non-treated wood free of metal is accepted. Construction material is NOT accepted.

Visit www.thorhildcounty.com & click on Services, then Waste and Recycle Collection, for more information.

WOMBANIA™

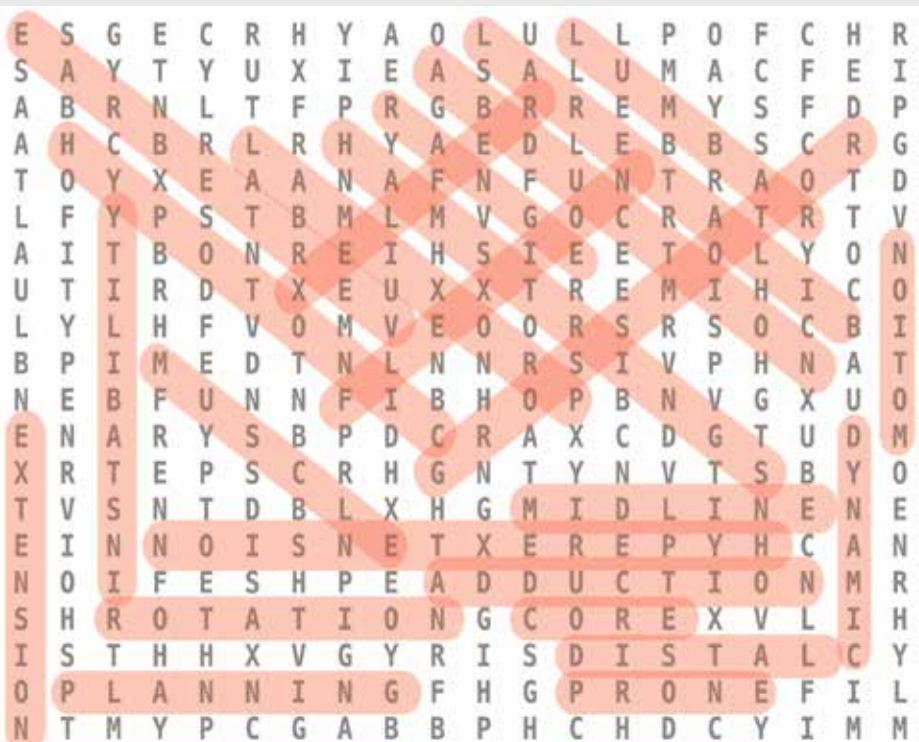

by PETER MARINACCI

We would like to give a big thank you to everyone who participated in our Terry Fox Run at Holy Family Catholic School in Waskatenau. We are happy to report that we raised over \$1300 for the cause! Thank you to all of the donors who contributed and to everyone who came out and made it a great event.

As we all know too well how life goes, they've had to lay four siblings to rest - Mary, Harry, Bill, Mike - all at the Edwand cemetery alongside their mother and father, grandfather and grandmother.

Their grandparents, Simion and Agafia Rogoza arrived in Canada in 1899 with their son, Gregory Rogoza, who

was only four years old. They left Ukraine with 32 other families that spring of 1899, many of which homesteaded in the Edwand / Smoky Lake area and still have families remaining in the County of Smoky Lake to this day.

Gregory married Wasylena Bozniak in 1920, and they farmed and raised their eight children in the Edwand area just East of Smoky Lake.

Sandy and Nancy Rogoza are also celebrating their 59th Wedding Anniversary this month, October 2022, with their four children and seven grandchildren. They enjoy retirement on the farm they purchased

and built from scratch 50 years ago near Warspite.

Ed and Alice Rogoza will soon celebrate their 62nd wedding anniversary and continue to live on their own in Sherwood Park, Alberta.

Olga Fedoretz is happily being cared for by her children and the amazing staff at the Smoky Lake Bar-V-Nook and

Verna Kozak is being taken great care of by her senior housing facility and her son Eugene and daughter Alvinna who live nearby.

It was a grand, wonderful occasion to get these four siblings together again and reminisce and admire how far they've all come.

Thorhild fun hockey begins soon

Thorhild Fun Hockey offers a low-cost, less competitive, and family-oriented alternative to other hockey organizations. They welcome players from ages 4 to 17 with all levels of experience. Thorhild is an inclusive organization that encourages fun for the participants, parents, coaches, and all volunteers. **Photo by Candice Deveau**

By Myrina Carter

Thorhild Fun Hockey begins on October 21 at 15 7 Avenue in Thorhild. Keeping in theme with Fun Team Alberta, the focus of Thorhild Fun Hockey is having fun in hockey, welcoming all ages of players and experience levels along with volunteers. Children will be encouraged to love the team sport and enjoy engaging with coaches and peers. The group focuses on teaching individuals, developing skills, and working with teammates. Children will be able to practice once a week, play many games and play in a tournament.

Teams include Big Team, where all players are welcome, ages 13 and

up, and have any experience level; enthusiasm is the only requirement focusing on skill, player development, and team dynamics. Middle Team focuses on all the team dynamics with children ages nine to twelve. Little Team is for the youngest players, ages four to eight; the focus is on the introduction to hockey. They are paying extensive attention to the fundamentals and working on skill development.

Volunteers are the group's most valuable resource, without their commitment to the program and help bring the sport to the community. Thorhild Fun Hockey welcomes all volunteers that complete a Vulnerable Sector Check,

a check which is required once every three years. The volunteer positions needed are coaches, team managers, referee coordinators, jersey managers, year-end party coordinators, and team picture coordinators.

The Team at Thorhild Fun Hockey said, "At the end of the season, we host a parent versus kid game with our year-end party, which our players are always enthusiastic about! We look forward to welcoming you and your family this season!"

For more information on the hockey season or to sign up for volunteering, visit <http://register.funteamalberta.com> or email thorhildfunhockey@gmail.com.

DIGITAL MARKETING LEARNING DAY

OCT 26 2022
