Town of Redwater Annual Golf Tournament proceeds

Town of Redwater Council was delighted to award the golf tournament proceeds to the Friends of the Redwater Library Association and Redwater Citizens on patrol at last night's Council Meeting.

Press Release

Redwater, AB, (November 23) We are delighted to announce that our 2022 Annual Golf Tournament Mixer raised over \$9000.00! At the November 15th, Regular Council Meeting, Redwater Council awarded the golf tournament proceeds to Friends of the Redwater

Library Association and Citizens on Patrol. While the Town of Redwater has hosted golf tournaments in the past, there has been none comparable to the Town of Redwater Annual Golf Tournament Mixer held on August 12! We had fantastic weather, above 25 degrees and nothing but sun! The weather

couldn't have been better, and the support from the community, always amazes everyone that participates. The Town of Redwater was in great shape for the tournament and we even managed to get Justin Pontonnier of Mix 107.9 to co-host the successful event! Breakfast provided by Bei's Bistro, supper was

catered by S.N.K. Catering and the live entertainment was provided by Jake Levesque and Travis McKenna. Even our mayor and council personally sponsored the hole in one; \$25,000 cash was up for grabs, sadly there are no hole in one's to report.

Country Crowns of Thorhild

By Myrina Carter

Country Crowns is a home-based business run by Thorhild's own Kathleen Pasay, a local woman for the past 11 years. After Kathleen and her husband started their family knitting began; making clothing items for her children and herself. A rather extensive hobby to keep the stay-at-home mom busy and her hands full. Many friends, family and community members noticed Kathleen's beautiful work and started making requests to purchase her handy work. Many community members may know Kathleen as the Thorhild Librarian, but she is also a mom of three, a loving wife and a hobbyist with a love for knitting.

Pasay said, "A good friend of mine

suggested the name Country Crowns for my business, and it really fit, so we went with it. I am a one-woman show when it comes to knitting. I am grateful for my husband occasionally helping me put the tags on the products!" Country Crowns specializes in knitted winter wear, creating hats, mittens, leg warmers, and slippers. All are fully customizable in any shade of beautiful colours. Customizable Christmas stockings are a massive hit at Country Crowns. Many clients place orders as early as January for the following Christmas. Most Country Crowns knitted winter wear is made from wool or wool blend yarn, making the products a bit more durable. New

SUDOKU

Level: Intermediate

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

The golf tournament is utilized as a fundraiser for the Redwater community and the proceeds of this year's event were donated to Redwater Citizen's on Patrol and the Friends of the Redwater Public Library Society. Without the generous participation of so many individuals through sponsorship, donation and volunteering, these types of fundraisers wouldn't be possible or

nearly as successful.

The Town of Redwater would like to say a heartfelt thank you to everyone who made our golf tournament a major success! We couldn't have asked for a better group of golfers, donors, sponsors and volunteers to help bring this event to life.

A huge thank you goes out to the following sponsors:

- Platinum Sponsor: Pembina Pipelines
- Gold Sponsor:

- Agrium Canada Partnership (Nutrien)
 - Silver Sponsors: Fortis Alberta, Alberta Industrial Heartland Association
 - Dinner: Northwest Redwater Partnership (NWR)
 - Breakfast: Conifer Energy
 - Beverage Cart: Redwater Ok Tire
- Many thanks to our additions sponsors that included cart and hole sponsorship.

We had various levels of sponsorship available, although the Platinum Plus sponsorship was left undesignated this year. This sponsorship level included the opportunity to co-host the event.

Save the date for next year: August 11, 2023

Variety of vendors at Vilna Christmas market

By Irene van der Kloet

The Vilna Christmas market is one of the first Christmas markets to kick off this special season. Just like in previous years, the organizers did not disappoint, with a variety of vendors attracting the general public looking for that special Christmas gift. Large or small, it could be found there. Thinking beyond Christmas, one could easily find an item for anyone at any time of the year. One woman was selling coveralls that she made herself. This way, a person can have a coverall made to fit their size, which is especially suitable for women, who often have to resort to men's coveralls when buying one in a

store. For those looking for a jacket for the colder weather, there was a selection of fleecelined woollen jackets with beautiful designs to keep a person warm. Food was there in all sorts and flavours, from soups to Middle Eastern baking, to sausage, and sweet baked goods like cupcakes. A Christmas market would not be complete without decorations, from wreaths to Christmas tree trinkets, to homemade key rings, lights and anything in between. Concerned you'll mix up your wine glass with someone else's? A selection of wine glass charms will help one find one's own glass. For the little ones, there was a selection of baby and toddler clothes; for personal

care and home fragrances, there was Scentsy, soaps and more. Although this market may not be as well-known as larger markets, the organizers can be proud of a well-attended event: as soon as the doors opened at 10:00 a.m., the public began to arrive, and the parking lot quickly filled up. Apart from a place to look for that special gift, it is also an excellent opportunity to network, visit and discover how small-town Alberta can be big in putting on these special events. The market in Vilna offers a chance to view the historic ambience of the village, with historic buildings commemorating the times of the old west worth a visit any time of the year.

Making snow globes with the Town of Redwater

By Myrina Carter

On Monday, November 14, the community of Redwater joined the Redwater Community Services Department for an absolutely magical night of snow globe creativity. The fun-filled event occurred at Pembina Place, 4944 53 Street, between 3:15 p.m. and 5:30 p.m.

Friends and families gathered at Pembina Place, their faces lit up with delight at the sight of all the snow globe supplies. Everything from traditional

snowmen and winter scenes to Monsters Incorporated and Minion characters. Christmas balls and pompoms were laid across the activity tables, and fake snow and glitter glue covered the whole space. Children and parents were covered in glue and glitter and enjoyed every minute of it, laughing and cherishing the memories of the craft evening. Excitement and joy saturated the whole gym space while guests took part in a bonding experience between child and guardian. Families and

children left the evening, with their newly cherished snow globes in their hands and boxes, just in time to put them out with the rest of their Christmas decorations at home.

Another delightful experience was planned and hosted by the Redwater Community Services Department, a group that is truly for the community. Keep an eye out for the community service's next big fun family craft night and create more memories with your family, community, and town.

Small Remembrance Day ceremony in Smoky Lake

By Irene van der Kloet

The Smoky Lake Legion had it all set up: a Remembrance Day ceremony in the complex, complete with a full-service wreath laying, a minister and children carrying flags. Normally, many children attend the Remembrance Day ceremony, and altogether about 250 people attend the event to honour Canada's veterans. However, a respiratory virus (or more than one) sweeping through Smoky Lake kept many residents at home. 100 children at the H.A. Kostash school were sick. "We could not take that risk for the community," George Brooks, Legion president, says. "If we had brought all these people together, for sure more

people would have been sick a few days later, and we did not want that responsibility." Hence, a much smaller event was held at the Legion. On November 11, at 11:00, two minutes of silence were held by approximately fifteen participants, most of them Legion members. This is the designated moment for the ceremony as the Armistice between the Allies and Germany at the end of World War I was signed on November 11, 1918, at 5:15 a.m. in a train wagon in Compiegne, France, to become effective at 11:00 a.m. that same day. Ironically, when France capitulated to the Germans at the beginning of World War II, Hitler demanded that the French capitulation be signed on June

22, 1940, in that same train wagon on that same spot in Compiegne. Every year at 11:00 a.m. on November 11, veterans are honoured with a ceremony. Veterans are all those who have served in the Canadian Forces, regardless of whether they have been deployed abroad or not. Following the silence, everyone went outside, and Legion representatives laid a wreath by the cenotaph. The ceremony was concluded with a lunch offered free of charge by the Legion. The Legion is creating another chance to connect with the community: they are planning a Christmas dinner for the community on December 25th. More about this to follow in mid-December.

Redwater Quilters Guild

By Myrina Carter

The Redwater Quilters Guild is a local, non-profit organization within Redwater filled with individuals from Redwater and surrounding areas and comprised of a group of people with a wide range of sewing capabilities. The organization's primary focus is to donate to community groups in need, such as Victim Services, Radway and Redwater Long Term Centres, and Wings of Providence, along with the art and craft of quilt making. They encourage and support the growth and development of quilting through teachings and community. The group gathers to learn and teach all sorts of new and modern quilting techniques, offering workshops in ruler work and patchwork.

Joining the Redwater Quilters Guild has many benefits, including making new and lasting friendships. The Guild can help bring that fun community feel to the hobby, allowing you to meet like-minded people with the same interests in socializing. It is also an excellent place for beginners to learn new techniques or the basics, and it is a great way for seasoned members to share their knowledge. Classes

and workshops are a large part of being part of this group. They support sharing different workshops for members to attend and widen their knowledge.

Maureen Barrett Cross said, "We are supported by the generosity of groups such as the Lions Club. It is not a hobby in the sense of the word but a craft. It is in doing this work that we learn new techniques creating quilts together to donate and enjoy the company of like-minded quilters."

The Redwater Quilters Guild takes great pride in participating in the community and spreading its knowledge with others. If you are interested in being a part of the quilting world, check out the Guild's

Facebook page, Redwater Quilters Guild. Send them a Facebook message to inquire, and a member will respond with the information you are looking for.

Former Mayor honoured by District Lions

District C-1 Lions, which is comprised of 98 clubs in the province north of Red Deer, annually selects a distinguished citizen from submissions supplied by the clubs. The Lions Club of Redwater submitted former Mayor Mel Smith as a worthy candidate for this honor and he was selected as the recipient of the Outstanding Citizen Award. This award is a Melvin Jones Fellowship, which is the highest award offered by Lions International to non-members. District Governor Suzanne Leshchyshyn presented Mel with a plaque, certificate, and lapel pin at the November 9 club meeting. Congratulations go to Mel for his ongoing work in the community.

NEW EMERGENCY SERVICES BYLAW

County Council adopted a new Emergency Services Bylaw on October 25, 2022. Emergency Services Bylaw 10-2022 can be accessed online at www.thorhildcounty.com under the Services - Fire & Emergency Services tab.

Bylaw 10-2022 is a guide for the operation of the Emergency Services Department and authorizes the recovery of related fees, expenses, and charges. The new bylaw expands on activities that do not require fire permits, including burning barrels and outdoor fireplaces, and details fees and penalties.

Some significant changes to the bylaw are outlined in Schedule "A" Emergency Services Charges, and Schedule "B" Specified Penalties.

Schedule "A" provides greater clarity on emergency or incident response charges. For example, hourly rates and other charges are outlined in detail.

Schedule "B" expands on the types of offences whereby penalties are applied. For instance, penalties are defined for offences such as a burning barrel fire, smudge fire in a hamlet or subdivision, lighting a fire or allowing a fire to be lit without a Fire Permit, etc.

Thorhild County reminds residents to ensure their current property insurance covers emergency response charges.
