Mingling in Redwater

By Shelley Winger

The annual week-end-long Kris Kringle Holiday Mingle was so much fun! The frigid weather did not deter people from having a fantastic time! And everything was free!

On Friday, there was the Festival of Trees at Pembina Place, as well as arts and crafts, cookie decorating, hot dogs, hot cocoa, picture booths, carolers, a band, airbrush tattoos, turkey curling, and, of course, photos with Santa and Mrs. Claus!

There was a booth set up to enter to win different prizes.

The Kris Kringle event in Redwater had the festival of trees set up on December 2.

Coming together at Christmas

Every year, as the holidays near, families from all over the world come together to celebrate with decorations, feasts, and an exchange of gifts. It's easy to forget that many families around the world are fighting merely to put food on the table during these festive times.

Many charitable organizations help individuals and families over the holiday season. The holiday season may be difficult financially for everyone, but it can be especially difficult for those who are in need.

The Christmas Hamper Program is run by Thorhild County FCSS each year to assist county residents in

need. At several locations across the County, donations of cash, gift cards, toys, and toiletries are received. Drop-off opportunities are available until December 15.

Please note that Thorhild county staff are only permitted to accept registrations from the individual requiring a hamper.

Residents of Thorhild County can register for a hamper by calling Tammy at (780) 656-6016 or Corinne at (780) 206-0018 between 8:30 a.m. and 4:30 p.m., Tuesday through Friday. Please have your physical street address or legal land location. The registration deadline is December 15.

Mohair cinch-making workshop in Waskatenau

Cinches like this can be made in Kara's workshop. Participants can make their unique cinch with colours of their choice.

By Irene van der Kloet

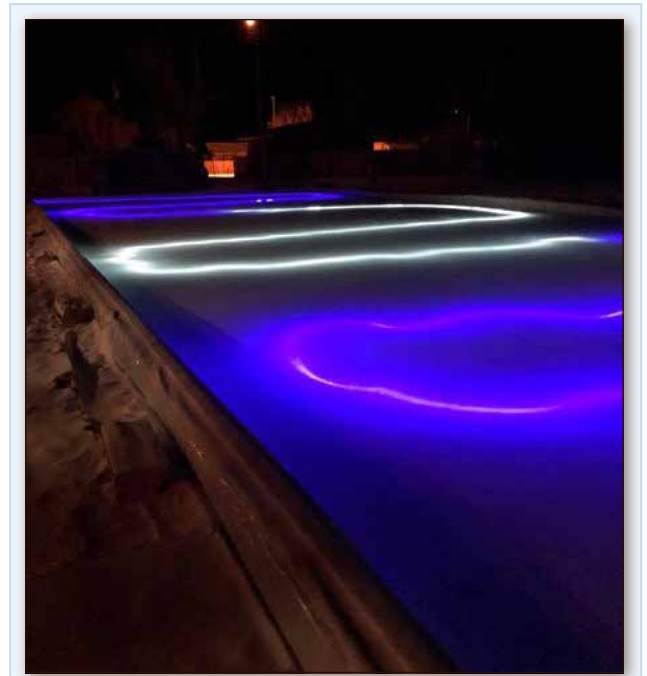

On November 27, Three Mile Custom Mohair Cinches, a home-based business from St Paul, facilitated a workshop cinch-making at

the Seniors' Centre in Waskatenau. Emilee Feniak organized this workshop, which was held in partnership with the Victoria Trail Agricultural Society. Cinches (for horse saddles)

are made from many different materials, for example, neoprene, a combination of webbing and (faux) fur, leather or nylon. Mohair cinches are overall considered the best as the mohair

wicks away moisture and thus prevents rubbing and sore spots on the horse. And it looks nice too, since mohair comes in many colours

Sturgeon County to present plans for Villeneuve Airport area to EMRB

Sturgeon County will seek support from the Edmonton Metropolitan Region Board's (EMRB) 13 member municipalities on Dec. 8 for its plans for the Villeneuve Airport area.

The Villeneuve Airport is a key regional economic asset that attracts critical investment. By supporting this plan, municipal leaders are supporting new investment, creating more than 1,750 jobs and welcoming more than \$1.8 billion in economic benefits for the region by 2044.

Sturgeon County Mayor Alanna Hnatiw

The lands surrounding the Villeneuve Airport are prime for investment in many sectors, including aviation and aerospace, defence, research and testing, advanced manufacturing, renewable energy research, agri-innovation and logistics.

The Villeneuve Airport Area Structure Plan (VAA ASP) is a development framework, and its approval means new investors can confidently consider the region. The plan carries out the direction of the Villeneuve Airport Area Master Plan, which provides an overall vision for future development in the area. The VAA ASP creates future-ready development strategies and demonstrates a tenacious focus on local and regional economic growth and diversification.

Municipalities must refer new development plans to the EMRB – a requirement under the Municipal Government Act – so plans can be evaluated for consistency with the EMRB's Regional Growth Plan. After reviewing Sturgeon County's

submission, EMRB administration recommended the Board reject the VAA ASP, citing inconsistency with its Regional Growth Plan. However, Sturgeon County and other stakeholders are confident that the VAA ASP does align with the Regional Growth Plan.

Our application is supported by comprehensive research and is consistent with the Regional Growth Plan and how it has been applied in the region. We are confident member municipalities will help the future take flight by supporting this plan to create jobs and drive regional economic growth and diversification.

Mayor Hnatiw If supported by the EMRB, the proposed by-laws to create the VAA ASP will go to Council for further consideration, amendments and/or approval.

and colour combinations. In this workshop, participants made their own cinch, carefully following the instructions from Kara McGonigle, owner of Three Mile Custom Mohair Cinches, and her assistant Kyla. Kara provided all materials, from buckles to mohair and D-rings. Participants chose their lengths and colours, and there were many colours to choose from; no two cinches were the same. To make your own cinch, you must carefully count threads and ensure you pay attention to what you are doing. Though it was tedious work, all participants enjoyed the workshop. "I have taught myself to make these cinches and now host six workshops a year for the last three years. I go all over Alberta, though not too far north; that is too far to travel. I've been invited everywhere, including in other provinces such as B.C., Saskatchewan, and even the U.S., but I stay in Alberta," Kara explains. Kyla adds: "The

first two workshops she did herself, but then realized she needed help, and that is where I, her one employee, come in to help." It shows that two people are necessary, for the two ladies are constantly busy helping to ensure the cinches are near-perfect. Typically, there are 10-16 participants per workshop. The participants in Washtenau came from the wider area: Smoky Lake, Lamont and Westlock, to mention a few. Emilee

Feniak participated in the workshop herself and was enjoying it. She also enjoyed organizing this for the wider community. "This workshop filled up very fast, and I have people on the waitlist, so we are doing another one in February. I already have people signed up for that workshop", she says. Kara doesn't only facilitate these workshops; she also sells cinches online, as can be found on her Facebook page.

Two cinches made during the workshop. Different lengths, different colours, whatever the participant chooses.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Transfer Station ID required

By Shelley Winger

Be prepared to show your county ID card when you visit the Thorhild Transfer Station during this busy holiday season. Transfer station attendants are required to ask to see the county ID cards of all transfer station users. This system will eliminate unlimited and unauthorized dumping of waste by non-residents,

which will reduce costs, and save tax dollars. Thorhild County ID Cards are provided to landowners in January of each year. Dependents who are 16 years old or older, as well as any occupants of the home who are not the landowner, and tenants, are all eligible for additional ID cards.

The following materials can be collected at the transfer station:

paint, metal, tires, wood, electronics, used oil, pesticides, batteries, furniture, and appliances.

If you need an additional ID application, visit Thorhildcounty.com

Thorhild Transfer Station is located 1 mile east of Hwy 18 and 827, the north 3/4 mile. Hours of operation are Wednesdays and Saturdays, 9:00 a.m. – 5:00 p.m.

Sturgeon Public Schools Students Receive more than 250,000 in Scholarships and Bursaries

Submitted article

On November 23, Sturgeon Composite High School held its annual Awards Night. After two years without it, it was wonderful for the school to hold awards in-person.

Sturgeon Composite High School students received more than \$250,000 in scholarships and bursaries—the most Sturgeon Composite High School has ever awarded. This was made possible

thanks to the sponsors who continue to support and encourage excellence in the schools. Particularly noteworthy is that, for the first time, two of the students were awarded the new Ron Kur

Scholarship: a \$10,000 scholarship awarded to two Sturgeon Composite High School students with outstanding academic achievement, and exemplary community and school involvement.

Smoky Lake buzzing with seasonal activities

The Floral Farm's flower shop is beautifully set up with many seasonal items to choose from.

Children were caroling during Light Up.

By Irene van der Kloet

It is the season for celebrating and extra care for the community, and in Smoky Lake, that message is well understood. On November 24, the Smoky Lake Kinettes held their annual Toy and Food Drive. The community was asked to contribute a non-wrapped toy and/or a food item. Items could be put out on the doorstep if living in town or in a box at stores around town. In the early evening of November 24, a Holiday Convoy led by the Smoky Lake Fire Department rolled down each street in Smoky Lake collecting the items. Santa accompanied the convoy in a side-by-side, and the Lions Club provided the bus for the

transportation of people and items. The toys will go to kids of families in need in the community; food items will go to the local Food Bank. On November 25, the annual Light Up festival was held, an initiative of the Smoky Lake Chamber of Commerce. The festival is a celebration of the season held in the National Hall. Everyone was welcome, and there was a large turnout, attracted by Santa, free hot dogs, hot chocolate and cookies. A few businesses offered popcorn and cider. There was a bake sale, and outside, the Métis Crossing wagon ride took people around town. Families could play hockey in the street and get their faces painted in the hall. It was a

beautiful day with very nice temperatures for the time of the year, and many lined up for the wagon ride through town. Anyone coming through White Earth Street can't miss the flower shop there. Louilla Tychkowsky from the Floral Farm has her flower shop located at home, but for the season and possibly beyond the Christmas season, she has set up shop in Pappy's Parcel Pit-stop. "In the first two days, I sold 17 plants", she says. "It is amazing!". The shop is beautifully set up with primarily seasonal plants and greens that will decorate your living room throughout the year. The shop is open Tuesday-Friday from 10:00-5:30. The SMOKY LAKE LEGION #227 offers a FREE

CHRISTMAS DINNER on December 25. The motto is "Don't be alone for Christmas," appealing to all those who live alone or might be home alone at Christmas, but everyone is welcome. It will be an excellent way to spend Christmas Day and socializing while enjoying a good meal. Attendees are asked to contact George Brooks before December 15 to confirm they are coming, so the cooks can ensure enough food for everyone. George Brooks can be reached at 780-914-6545. Last but not least, the Smoky Lake Lions Club worked a Casino event on December 1 and 2 and thanks all those who came out to help in this vital fundraiser for the club.
