Children race to find eggs at the air horn start of the Thorhild Community Association's Easter Egg Hunt.

By Brandie Majeau

An air horn blast filled the air as the Thorhild Community Association signaled the beginning of its 3rd annual Easter Egg Hunt on March 26th. With spring in the air and Easter just around the corner, over 100

children showed up with baskets in hand to take off on the hunt. Candice Strye Gurney commented that it is always wonderful to see the community come together for these events, and the kids attending had a "spring" in their step as they set off in

search of the hidden eggs. Over 1000 eggs were hidden around the Thorhild community hall and Thorhild Lodge; anyone lucky enough to find a golden egg in their search would also win an Easter bucket. The event would not have been

Lions Club prepares for major town-wide garage sale fundraiser

By Megan Suitor

As spring slowly begins to come back to the area, the Redwater Lions Club turns its attention to the annual town-wide garage sale. The fundraising event happens on Mother's Day each year, which will fall on May 13.

The garage sale is just one of the fundraising events that the Lions Club runs throughout the year. Others include

a Grey Cup raffle and casino, both of which require that the funds be distributed according to the club's licence under the Alberta Gaming, Liquor and Cannabis Licence.

"The club also raises funds through three non-gaming projects that gives the club some extra flexibility in the distribution of the funds", shared Dave

Sturgeon County reaches historic municipal milestone, contributing more than \$500,000 to STARS

STARS and Sturgeon County celebrated a monumental milestone today at the STARS base in Edmonton. The county was recognized as the first municipality in central Alberta to contribute more than \$500,000 to STARS and have its logo unveiled on one of STARS new H145 helicopters.

While this milestone is new, the relationship between STARS and Sturgeon County is not. Since 2006, the county has donated a total of \$550,234 to STARS to help protect its communities and citizens.

“This is what we mean when we say STARS was built by the community, for the community,” said Andrea Robertson,

STARS president and CEO. “We hope everyone in Sturgeon County feels a sense of pride when you see your logo on the helicopter, knowing that you are helping us save lives. We are very grateful for this support and this solid relationship.”

“We are proud to support STARS and the lifesaving work it does, both in our community and throughout Alberta,” said Sturgeon County Mayor Alanna Hnatiw. “Contributions to STARS help keep their helicopters in the air, which means our residents and our neighbours continue to have access to critical medical care when they need it most.”

In the past year, STARS carried out 3,515 missions across the Prairies, with 1,667 from Alberta bases and 22 to Sturgeon County alone. Many of the missions carried out by STARS in Sturgeon County have been coordinated with Sturgeon County Protective Services as valuable partners in providing critical care.

Sturgeon County’s ongoing commitment makes an impact and helps STARS deliver critical care to its residents, ensuring they have access to care when they need it the most. About 90 percent of Alberta’s rural municipalities support STARS and Sturgeon County is proud to be one of them.

Town of Smoky Lake celebrates its 100th anniversary

By Irene van der Kloet

On Monday, March 27th, the public was invited to the town office to celebrate the 100th anniversary of the Town of Smoky Lake. “Yesterday [March 26] was the 100th anniversary, but that being a Sunday, we are celebrating today,” Mayor Amy Cherniwchan explained. “Smoky Lake has not always been a town: the first 40 years, it was a village, and became a town in the early sixties”. Councillor Marianne Prockiw-Zarusky can elaborate on that. She is considered the historian regarding the history of Smoky Lake and the region. Her family came to Smoky Lake more than 100 years ago; she grew up in the Warspite area. After high school, Marianne left the community to pursue further education and a career in Edmonton and came back around 12 years ago to work and volunteer in this community. She was the FCSS coordinator for eight years and now serves as a

councillor and on several boards. Marianne loves telling people about Smoky Lake: “In 1864, the Hudson Bay Trading Post was built near the mission at Pankan, closer to the North Saskatchewan River (now the Victoria Settlement). At the time, the language in the area was Cree, but as the Ukrainian settlers and the mission came in, English became the language of choice. In the early 1900s, settlers were attracted to the land, trees and water, and the government gave immigrants the incentive to own a parcel of land for \$10 on the condition that they cleared 10 acres in 5 years. In those days, all that clearing was done by hand, but the (mostly) Ukrainians were hard workers and got that done. Over the years, distinctive businesses started: a brick factory, livery stable, hotel, blacksmith, phone centre, CNR station and grain elevator were all part of the early businesses. Other than a tornado in 1993, which tore off the roof

of the grain elevator and some hotel rooms, Smoky Lake was spared from disasters. Senator Martha Biehsh, mother of accomplished artist Merv Biehsh and Dr. Gerry Pretty, former Chief Medical Officer, were some of the more

famous people from the area. Other celebrities are Annie Breitmuetz, centenarian and now over 101 years old, Terry Ewasiuk, NHL player, and Derek Zaplotinsky, Paralympian who just won a bronze medal at the

Soldier Hollow World Cup Finals in Utah as a Para Nordic skier at the beginning of March.” The celebration on March 27 is just the beginning: On June 3rd, the Town wants to go full-out and is looking for input from

the general public for ideas for the celebration. This celebration is a good start: people came in to check out old archives on display, enjoy coffee or tea with a cupcake from the local bakery, and connect with councillors.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Whatever the event, their focus remains the same: to keep them family friendly, affordable and fun for all ages. Often, rural areas lack opportunities for entertainment, and this tries to give them a little bit of that without having to go far from home. They also strive to bring generations together instead of separating them, to encourage youth volunteers to give back to their community, to gather as families, to mentor and learn, and to share connections and experiences that can only be found when generations mix.

RCMP ROYAL CANADIAN MOUNTED POLICE

On February 28, 2023, at approximately 1:15 a.m., Redwater RCMP was advised by the Morinville Detachment of a driving complaint of a possible impaired driver traveling on Highway 28, towards the town of Redwater. The witness advised police that the truck had almost driven into the ditch several times and had crossed into oncoming traffic, almost causing a head-on collision with a tractor-trailer unit. An officer from the Redwater Detachment conducted patrols along Highway 28 and was able to locate the blue Chevrolet Silverado and attempted to conduct a traffic stop on the vehicle. The suspect vehicle did not stop for the officer and for public safety reasons the officer did not pursue the vehicle. The officer continued to conduct patrols in the area and located the suspect vehicle, which had entered the ditch and was stuck partially blocking the northbound lane of Highway 28. Upon approaching the vehicle, the officer discovered that the driver, and lone occupant of the vehicle, was passed out in the driver's seat.

McRae, Secretary for the club.

As well as the town-wide garage sale, these additional fundraising events include the community Christmas card and pancake breakfasts.

"Together, these three events give the club monies that are spent for activities like the Quilters Guild,

Redwater School, the Library, or other projects not covered by the AGLC licence", explained McRae.

These fundraising events directly benefit the Town of Redwater and its residents, with over \$100,000 having been raised and distributed in only the last six years. Money from the Lions Club has been used in the establishment of the

town campground, the finishing of a playground, funding towards Ochre Park School's hot lunch program, and others.

The club currently has 16 members, and McRae expressed that "with more members, we can do more for our community". The Redwater Lions Club meets on the second Tuesday of every month at 7 p.m. at the Pioneer Club.

Olson, Evelyn Joy
(nee Dixon)
August 1, 1955 – March 26, 2023

On March 26, our beautiful wife, mother, grandmother, great grandmother, sister, aunt and friend went to heaven. Evelyn is survived by her loving husband, Arnold "Arnie"; sons, Roy (Tanya), Olaf (Amanda); daughter, Carmen (Tim); eleven grandchildren; six great grandchildren; one brother; four sisters, as well as numerous aunts, uncles and cousins. Evelyn will also

be dearly missed by many close friends. She was predeceased by her parents, Bill and Marcia Dixon; infant son, Steven and brother, Sid. Evelyn was very proud of her family and always ready to welcome more to the family circle. A Memorial Service was held at 1:00 p.m., on Monday April 3, 2023 at Abee Community Hall.

In lieu of flowers, donations may be made to a charity of one's choice. Arnold would like to extend a special thank-you to Ernie and Colleen for doing everything they could.

IN MEMORY OF

Steve Halisky

Oct 8, 1936 - March 29, 2016

*He put his arms around you,
And lifted you to rest.
God's garden must be beautiful,
He always takes the best.
He saw the road was getting rough,
And the hills were hard to climb.
So he closed your weary eyelids,
And whispered, "Peace be thine."
It breaks our hearts to lose you,
but you didn't go alone.
For part of us went with you,
the day God called you home.*

Forever in our hearts

Missed by your wife Eleanor, children, grandchildren & great grandchildren

Wreck the ice

Austin Schawb

Khloe Torguson

By Brandie Majeau

The Thorhild Arena invited children of all ages to join them on March 26th for a couple of hours to “wreck/paint” the ice. This was a great way to give everyone one more opportunity to skate and

have some fun before the end of the winter season. Participants donned their helmets and skates one last time and were given bottles of colored water to decorate the ice before it would be taken out. Roman Sopotyk offered his thanks to

everyone who came to wreck the ice, “It was a great success! The kids had a lot of fun with it, and I can’t wait to do this next season.” This was the first time an event like this was held, and it is hopeful that it will become an annual tradition.
