Celebrating seniors in Redwater

Seniors in Redwater enjoyed an afternoon celebrating their contributions to the community.

By Megan Suitor

Pembina Place was full of laughter and music on June 6, as the Town of Redwater hosted a celebration in honour of Seniors' Week.

Various community organizations and businesses were invited to attend to celebrate the role that the senior population plays in our town and surrounding area.

"Seniors' Week events are organized to provide quality, affordable programming for our community and to strengthen community bonds," shared Liesel Spicer, Community Services Coordinator.

"It is one of our FCSS-funded programs (Family and Community Support Services)." The free event

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

CROSSWORDS

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

HOROSCOPE

ARIES

(March 21 - April 20)

You may struggle to get going this week, Aries. But once you do, it will be full speed ahead. In fact, you may need to slow things down to let others catch up.

TAURUS

(April 21 - May 21)

Taurus, if you are feeling a bit scattered as of late, take some time out of your schedule to meditate and reflect on what is most important to you. Then follow that path.

GEMINI

(May 22 - June 21)

Gemini, give yourself permission to move slowly this week. If you racing through things, you're apt to make mistakes. Set your own pace and let things play out as they may.

CANCER

(June 22 - July 22)

Deadlines could make for a heated week, Cancer. It's best to remove yourself from any situations before they get out of hand. Offer advice when things cool down.

LEO

(July 23 - August 23)

Routines are boring you lately, Leo. You may need to shake things up. If you work a set schedule, see if you can go to flex time and look for ways to change.

VIRGO

(August 24 - September 22)

Do not let drama that doesn't involve you sneak into your orbit, Virgo. If you need to distance yourself from others for a while, then do so.

LIBRA

(September 23 - October 23)

Libra, others feel you're giving off some high-strung vibes this week, and they wouldn't be wrong. Something is weighing on your shoulders. Figure out what it is and lighten the load.

SCORPIO

(October 24 - November 22)

Scorpio, you're dishing out all sorts of sage advice but it may be frustrating if others don't want to take it. All you can do is offer and let others lead their lives.

SAGITTARIUS

(Nov. 23 - Dec. 21)

Things may be a little rough around the edges lately, and you'll need to figure out the ways to smooth things over, Sagittarius. Find a few friends who are in your corner.

CAPRICORN

(Dec. 22 - Jan. 20)

Capricorn, emphasize a slow and methodical approach to a problem with an elusive solution. Slowing things down has a tendency to provide substantial clarity.

AQUARIUS

(January 21 - February 18)

Disagreements on how to move forward could bring tension at home or work this week, Aquarius. Everyone needs to put their ideas on the table and whittle down the best answer.

PISCES

(February 19 - March 20)

Don't compare yourself to others, Pisces; otherwise, you may downplay all of your wonderful attributes. Be proud of who you are.

provided seniors with lunch and a celebratory cake, field games to play, information booths with activities, and a chance to socialize and enjoy the company of friends and neighbours. The Twilaters contributed to the festive atmosphere with a live performance on stage.

"I absolutely love it," said Avril Stachnik as she visited with a number of friends, and ensured that

everyone was well-fed.

Attendees were invited to fill out a survey at the event, and to provide suggestions for future and upcoming events.

The history of Seniors' Week in Alberta dates back to 1986 when Alice Modin campaigned to start a Seniors' Day in Strathcona County. Her vision led to the creation of a Seniors' Week to recognize the contributions seniors make to enhance the quality of life in Alberta.

75th Anniversary of the discovery of oil

Photo: In Redwater's old Hotel Café, Rod Morris, geologist, listens to the worried farmer Pete Tkachuk.

By Megan Suitor

Seventy-five years ago, the hamlet of Redwater was poised to change drastically in a short span of time. With the discovery of the 200 million barrels oil field in Leduc, companies were hoping to discover other areas to

drill around Edmonton. Imperial Oil Limited began a regional core drilling program in the area in 1947, followed by seismograph work in 1948. During the seismograph work, shots were set off at a depth of 40 feet every quarter mile. Each hole was shot

twice, with the second shot having a cap of mud to contain the blast down to a greater degree than the first. It was this work that resulted in Imperial Oil Limited's decision to drill a test well on the farm of Hilton Cook, and forever changed Redwater.

The Redwater Museum, located beside the library, is open on Thursdays from 1 p.m. to 3:30 p.m. and Saturdays from 10 a.m. to 3 p.m. during the month of June. Stop in for displays showcasing the discovery, as well as other aspects of Redwater's history.

continued, with hundreds of guests participating in the celebration that was Egremont Community Club's 80th anniversary. Vintage cars lined main street where people could wander around and take in the unique vehicles of the Egremont Show & Shine that runs as part of the day.

The celebration kicked off with a parade that showcased many clubs, businesses and organizations within the community and even featured Pembina's amazing modern fire truck with state-of-the-art technology. Children and adults alike scrambled for the generous amounts of candy tossed from each float and had the fun of catching customized frisbees from MLA Glen van Dijken. The afternoon offered guests a

chance to sample from several food trucks and a local ice cream vendor. They could enjoy live music at the beer gardens, and children could participate in some games and face painting. The event would also not have been complete without purchasing a ticket for a chance to win "chicken poop bingo."

Thorhild Council member Angela Zinlinski was invited to speak at a celebratory cake cutting (with enough free cake and ice cream for anyone wanting to accept a plate) and expounded on the many things that have happened over the past 80 years. Egremont Community Club has managed to survive through it all. Egremont Days continued into the evening, and volunteers again donned their aprons to cook steaks and serve an amazing dinner.

Seniors awarded with lifetime membership

Marian and Maurice Lalonde have been active members of the Seniors' Drop-In Centre in Smoky Lake, and still go there almost every day.

By Irene van der Kloet

The Smoky Lake Drop-In Seniors' Centre (SDIC) recently awarded two couples a lifetime membership for their contributions to the centre. Marian and Maurice Lalonde moved to Smoky Lake from Bonnyville in 1973. Maurice started working at the bakery, while Marian looked after two young children and had no intention of going back to work at this time. The hospital did not agree: "You are a nurse; you have to use your education," so she started filling in every weekend. That turned into a full-time position at the hospital. Maurice had become a member of the SDIC at the

age of 34, probably the youngest member at that time. Both put in a lot of time at the centre, from making coffee to helping wherever they could. Marianne was president for four years and on the board for two years. While a reporter for the Smoky Lake Signal, she made a newsletter so people knew what was happening. Maurice was renowned for his practical jokes. These days, they are there every day, even when the drop-in centre is officially closed. Holidays or not, Maurice will make coffee. "It's not like it used to be," Maurice says, "in 1976, we were open all day, seven days a week. The centre had 300 members, and at

least two volunteers were needed to serve coffee. The average age was 55. There were parties, such as Malanka (Ukrainian New Year), the "regular" Christmas, and Ukrainian Christmas." At age 62, Marian decided to get her Bachelor of Theology at Newman Theological College. She graduated with distinction. On Thursday, May 11, they were honoured with their lifetime membership. Siegfried and Katharina Loeffelbein (known as Siegfried and Kathy) were also awarded a lifetime membership. They started their lives in Europe, and both had rough youths in war-torn Europe. In the early 1950s, they

immigrated to Canada without knowing each other. "Sieg worked in the sugar beets to pay his fee to come to Canada. We met in Hanna, AB, and there was this immediate connection; we both knew it", Kathy says. "We have been together for 68 years. We got married, and after a brief time in Edmonton, bought a farm by Mons Lake and started small with a few cows. It grew into a big cattle farm and was my first home. I loved it there. Siegfried worked as a mechanic while I farmed and looked after our four children. We only wanted land, food and shelter, and we found it here. We did everything together," Kathy continues. They

Katharina and Siegfried Loeffelbein enjoy their life in Smoky Lake and cherish fond memories of their farm, their home. They, too, can be found at the Seniors' Centre almost daily.

loved living on the farm; it was their safe place, their home. People would accidentally end up in their yard because they got lost and camp overnight; it was always good. But as they grew into their senior years, they realized they could no longer stay on the farm and sold everything in an auction sale on April 26, 2014, after 53 years on the farm. It is still emotional for them to talk about it. They bought a house in town that Kathy always liked and had a good life there. Kathy participates in

the community; she helped out at the ladies' auxiliary, worked with suicide prevention, and was president of the Woodlands Association. She was also president of the social committee at the Seniors' Drop-In centre, booking music clergy and doing the coffee schedule; for a long time, she decorated the Seniors' Centre before the holidays. Kathy and Siegfried also received their lifetime membership awards on May 11. Both couples continue to be active members of the SDIC.

Celebrating 100 years as a community

The barbecue attracted a huge crowd on this beautiful sunny day.

By Irene van der Kloet

The weather was perfect on Saturday, June 3, for the Town of Smoky Lake’s Centennial. The list of activities and events for locals and visitors ensured something for everyone. Our town’s community spirit was also displayed by the significant number of volunteers and local groups who contributed their time and energy, creating a fun-filled day for everyone. The Farmers Market at the Ag Complex was bursting with vendors displaying their wares and goodies, thus attracting an enthusiastic shopping crowd. Accordionist Paulo Souza entertained everyone with his energetic music while the town’s CAO, Dawn Phillips, flipped burgers at the popular free BBQ outside. The anticipated burger consumption doubled, but no one left hungry thanks to the Agricultural Society’s sponsorship and President Sharon Boychuk’s support. Horse-drawn wagon rides were available for our youngest residents and our young-at-heart adults. Riders had fun experiencing what it was once like for families travelling without motorized vehicles. The Smoky Lake Museum was open and very busy with interested visitors wanting to learn more about the town’s history. A special shout out to Ron Rosichuk and Pat Flinn for their efforts to make these events happen! The action continued for the afternoon in Pumpkin Park.

Susannah Eldridge organized children’s craft and game activities besides the heritage caboose. At the same time, Tara Harder and local musicians entertained their audience from the CN Station’s deck. For those who didn’t want to keep still, Noreen Easterbrook and Barb Tywoniuk created an excellent guide for a self-guided tour of all the historic buildings and sites in town, such as the Smoky Lake Inn, which is celebrating its 101st birthday this year. In the late afternoon, a formal program led by former CAO Pat Elaszuk was held at the historic Orotona Hall (originally a movie theatre and a dance hall but now serving as the Seniors Drop-in Centre). Pat welcomed all guests and dignitaries, including recently re-elected MLA Glenn van Dijken and former mayor Peter Goruk (1989-1992), who turns 90 years old this month. This gathering celebrated town history with music, jiggling, and speeches. A video presentation, “Then and Now,” by Marianne Prockiw-Zarusky and Noreen Easterbrook, beautifully showed how much the town has developed and changed in the last 100 years. A panel of residents comprised of seniors and newcomers was interviewed and shared their views on what it’s like to live in Smoky Lake. A free “Come and Go Supper” sponsored by the Town of Smoky Lake was well attended by several hundred residents and visitors. The highlight of this meal was the 1,800 perogies made from scratch by a volunteer team organized by Pat Palechuk, and this full day of celebration ended with more music and dance at the Orotona Hall. Event Chair, Rachelle Amyotte, summarized the celebration best: “It takes a village to facilitate this event, and I was honoured to stand alongside all of you in commemorating the history of our town. Please know there is a lot of gratitude and appreciation for your efforts, time, and commitment to our town.” Happy 100th birthday, Town of Smoky Lake!

RCMP

During the month of May, the Redwater Detachment responded to a total of 287 calls for service, which included:

- Assault (x6)
- Break and Enter (x12)
- Utter Threats (x3)
- Motor Vehicle Collisions (x7)
- Theft (x12)
- Mischief (x16)

On May 14, 2023, the Redwater Detachment held an RCMP 150 Open House at the detachment. The event ran from 11:00 a.m. until 3:00 p.m. and attracted over 500 visitors. Attendees had the opportunity to interact with representatives and displays from such RCMP units and

partner programs including: Forensic Identification Services, Community Safety and Wellbeing Unit, Collision Reconstructionist, Redwater Traffic Unit, 'K' Division Air Services, North East Corridor Victim Services, Redwater Citizens On Patrol, Northern Alberta Operational Communications Center, Sturgeon County

Rural Crime Watch, and RCMP Recruiting. In addition, there was a roll-over simulator, RCMP quads, an RCMP side-by-side, an RCMP boat, and a mock collision on display for attendees to check out, while the RCMP Safety Bear was also mingling with the crowd. As this event was held on Mother's Day, the detachment also had free flowers for the mothers. The purpose of this event was to celebrate the RCMP's 150th anniversary and the positive role that the Redwater Detachment plays in the community it serves. Special events like this are a great opportunity to showcase to the communities we serve the

tools, resources, and partnerships that every RCMP detachment in Alberta has at their fingertips to ensure the safety of all Albertans. The Town of Redwater Citizens On Patrol were the "chefs" behind the grill for the community BBQ and ensuring that everyone who attended received a complimentary hot-dog, pop, and a bag of chips.

Not to be outdone by the Open House units, Redwater Detachment members and 'K' Police Dog Services decided to "chip-in" on the action and responded to a report of a break and enter in progress that was reported during the open house. On May 14, at

approximately 1:30 p.m., the detachment received a complaint from a business owner who reported an alarm at a local Redwater business. When the property representative arrived at the property they observed a male crawl out from under the fence surrounding the property with a bag in hand, and then flee into some nearby bushes on foot. Officers from the Redwater Detachment attended and contained the area until RCMP Police Dog services arrived on scene. After tracking the male for a distance, the male suspect was located hiding under a vehicle, and was taken into custody by the police service dog, the

handler, and an officer from the Redwater Detachment. While processing the accused, he provided police with a false name. After taking some fingerprints from the male, his true identity was revealed and it was determined that the false name provided was an unsuccessful attempt to avoid having to deal with a warrant out of Fort McMurray for 38 charges, and a warrant from Lac La Biche for an additional 2 charges.

Further investigation revealed that the accused was also released on conditions in relation to another set of charges to "Keep the peace and be of good behavior". Typically,

this condition is put in place in an attempt to discourage the individual from committing any further criminal acts, but in this case, it did not prove to be effective.

As a result of his actions, Kartel Daniel Teele (30), no fixed address, was charged with the following:

- Break and Enter with Intent.
- Fail to Comply with Release Order Condition.
- Resist/Obstruct Police.

A bail hearing was conducted and Kartel Teele was remanded in custody with his next court appearance scheduled to take place at the Alberta Court of Justice in Fort Saskatchewan on June 15 at 9:30 a.m.

Proposed Resource Extraction Changes

PUBLIC HEARING –BYLAW 1607/22

Amendments to Land Use Bylaw 1385/17

In accordance with section 606 of the Municipal Government Act, Sturgeon County Council is requesting public input on new changes to proposed Bylaw 1607/22, which relates to resource extraction.

Council gave second reading to Bylaw 1607/22 on May 23, 2023. In addition to the regulations presented at the public hearing on March 15, 2023, the bylaw includes the following updates:

- Sand, gravel and clay operations and secondary processing operations would need to be at least 400 metres (quarter mile) from homes whether located in a multi lot subdivision or not.
- Silica sand and secondary processing operations would need to be at least 800 metres (half mile) from homes whether located in a multi lot subdivision or not. Silica sand is made up of at least 95 per cent silicon dioxide and less than 0.6 per cent iron oxide.

The existing and previously proposed bylaw presented on March 15, 2023, had setback distances of 400 metres between operations and single homes and 800 metres between operations and multi-lot subdivisions. The setback distances were the same for all operations, regardless of the material being mined.

View the proposed bylaw and more information about the proposed regulations at sturgeoncounty.ca/RERR.

What a festive occasion it was!

The Town of Redwater successfully organized its inaugural Asian Heritage Month celebration on May 31st, in collaboration with The Fort Saskatchewan Multicultural Association. With the gracious support of a grant from the Government of Canada, the FSMA included our community in this cultural extravaganza. The performances were absolutely captivating, leaving the audience enthralled as they engaged in Bhangra dance, witnessed mesmerizing Lion Dance, enjoyed Filipino traditional dance and music, experienced a soul-stirring Filipino singer, indulged in Japanese melodies, and were treated to a breathtaking fashion show showcasing the diverse fashion styles from various Asian heritages. Additionally, we had the privilege of highlighting two talented individuals from the local community: the Redwater Physical Therapy Clinic and the pottery artisan Ravi Gill. Stay tuned for the complete event album, which will soon be posted online.
