

Fair Days in Newbrook

By Brandie Majeau

It's that time of year! Summertime brings with it a collection of events and entertainment that is fun for the entire family.

The town of Newbrook celebrated the beginning of summer with their Fair Days on the weekend of June 23.

Like many small

town fairs the morning wouldn't have been complete without a pancake breakfast to fill you up before a full and busy day. With the hearty appetites satisfied, fair goers were ready for the fun filled day.

A parade entertained the families and individuals lining main street with well-decorated floats, tractors,

emergency vehicles and classic cars.

Treats flew from the parade entries and delighted the waiting youth, bags and baskets filled up quickly with candy, chips, freezies and more.

A toddler was heard commenting that little chocolates should not be thrown on hot days. Despite the comment, many little faces looked up

smiling with chocolate smears decorating their mouths, cheeks and hands.

Newbrook Hall and grounds were filled with excitement as patrons were greeted with several bouncy houses and an inflatable obstacle course, a petting zoo and face painting station.

These sessions provided the chance to work with a lifeguard and get their little one comfortable in the water. They offered basic water safety and some free swim time all with one goal in mind, create confidence in little swimmers as they begin their journey into the world

Seventh successful year for the Feledichuk Curran Memorial Slo Pitch tournament

June 9-11 the Feledichuk family held the 7th Annual Feledichuk Curran Memorial Slo Pitch Tournament in Thorhild, AB. The Feledichuk family hosts this tournament annually to fundraise money for a local organization. This year the tournament raised \$10,000, which is a new record. The funds have been donated to Thorhild's Royal Canadian Legion Branch 234. To date, the tournament has

raised \$39,300, with an addition \$4,300 matching grant, for a grand total of \$43,600. This wouldn't be possible without the generous tournament sponsors and incredible support from the community. The Feledichuk family would like to thank all teams who entered the tournament, along with all the fantastic support we received from spectators who came for a burger and to cheer

on the teams. This year the winning team of the Paul Feledichuk Memorial trophy was the Mittslappers from Fort Saskatchewan with the runners up being Spitz from St. Albert. The winners of the Joan and Cyril Curran Memorial Home Run Derby trophy were local recipients, Jessica Wakeford and Cole Lazowski. Next year, the tournament will be held June 7-9 2024.

Rodeo participants put on an amazing show to packed stands and pint-sized cowboys showed off their talents during the Mutton Bustin' competition.

Volunteer workers commented on the great turnout for the events, stating that there was a steady steam of people all day. The steak supper had an overwhelming turnout. Over 300 steaks were grilled, and kitchen workers were rushing, needing to cook more potato's part way through the meal.

The hall and outdoor eating area was packed with laughing friends and families sharing the amazing meal. The evening rounded out with a family dance; music flowed through the night air announcing the end of the summer celebration.

They may have been small in numbers at the Town of Redwater's bike rodeo on June 17, but they were definitely BIG in FUN! The skills circuit proved to be a huge hit as participants from the community circled around and around, deftly dodging obstacles, crossing tracks, following signs, and skillfully transferring bean bags. The bikes were meticulously tuned up, helmets securely tightened, and hand signals diligently checked, ensuring a summer of safe riding in the Town of Redwater. Aaron Dobler and his fellow riders, Jason and James, left everyone in awe with their impressive bike tricks.

Fun By The Numbers:
Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Level: Intermediate

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Waskatenau Braves U18 Gold Champs

The Waskatenau Braves U18 Baseball team won the Tier 3 ERRBL league tournament for the second year in a row.

The team played league games from early May until the third week of June.

The entire league was then split into year end tournaments.

Waskatenau hosted the tournament again this year at the amazing Pine Creek Ball Park.

Teams from Vegreville, Tofield & Strathcona came out for an exciting week-end of ball.

The Braves got into the gold medal game with a

tie against Tofield, and victories against both Vegreville & Strathcona in round robin play.

In the Gold Medal game, the Braves fell behind in the early innings but never gave up and continued to swing away.

The rally caps came on and they had a 5 run inning which put them ahead by 1 going into the last inning. Pitching for the Braves at this time was Daiel Feledichuk.

The Vegreville Bears connected and sent a ball high into centre field. Braves centre field, Kellan Melnyk, raced in and caught it for the final out of the game. The hometown crowd went wild.
