# On thin ice

By Brandie Majeau

The Thorhild & District Agricultural Society is at again with their innovative ideas to promote growth and community development within the County of Thorhild. Following the platform, and mentorship, of the

Kitscoty Ag Society’s “Klunker Dunker” fundraiser, Thorhild Ag Society got to work, diving into the endless legality and structural details and is now pleased to announce their very own “Splash & Crash” fundraiser, which will go towards the Thorhild & District

Ag Society Building Enhancement Fund. This will be a two-part fundraiser, engaging participants in the splash portion right now, and the crash portion to come later. The morning of February 16 dawned bright marking the beginning of this

entertaining event. Brent Chomay, with help from his son Levi, had worked together to prepare the car to reduce ecological damage after the event. All motor oil and transition fluid, along with any other contaminating fluids have been removed to ensure a fun, clean

“splash” preserving the environmental impact of the dug-out water. The 1977 Cadillac was donated for the event by Curtis Kuban and received its eye-catching logo paint job from Chiara Boychuk. Chomay, with the assistance of Robert Boychuk and his tractor, spent the

morning setting up the car and a noteworthy fundraising sign. The Splash & Crash Cadillac is located west of Thorhild along Highway 18, unable to be missed. Anyone willing to make a guess of thin ice is invited to visit the website and make their selection, guessing the time and date that the car will take its icy plunge. Selections are made per date at 10-minute intervals. The winner will receive 50% of the proceeds from the event. Following the break through the ice (Splash), the Cadillac will be removed from the dug-out and the process will continue into its “Crash” stages. The Splash & Crash car will be transformed into a derby car and raffled off just in time for the chance to participate in Thorhild’s Canada Day Demolition Derby. More information and the chance to participate in Thorhild Ag Society’s Spah & Crash can be found at splashandcrash.ca.

### Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

### TAURUS

(April 21 - May 21)

Powering through a situation sometimes works, but not if you are feeling ill or injured, Taurus. Prioritize your health right now and take a step back if need be.

### GEMINI

(May 22 - June 21)

Gemini, there are always two sides to every story, so resist the urge to weigh in on a situation between friends right now. Get all of the information first and then stay neutral.

### CANCER

(June 22 - July 22)

Listen to someone's feelings when they come to you and try to vent, Cancer. Exhibit some patience and help this person work through his or her issues.

### LEO

(July 23 - August 23)

Share your light and vitality with another person this week, Leo. You can boost this person's mood or even change his or her perspective dramatically if you so desire.

### VIRGO

(August 24 - September 22)

Advice from a loved one prompts you to re-evaluate your plans for the coming weeks, Virgo. Step away from the situation to see how things might work.

### LIBRA

(September 23 - October 23)

It is important to take the reins this week, Libra, particularly if you want to get noticed by those in positions of power. You need to be your own best advocate.

### SAGITTARIUS

(Nov. 23 - Dec. 21)

Take ownership of any mistakes you have made and learn from them this week, Sagittarius. That is the only way you can grow as a person and make a difference in others' lives.

### CAPRICORN

(Dec. 22 - Jan. 20)

Capricorn, are you ready to accept the consequences of your actions? If you go out on your own path when others are warning against it, you will need to confront the consequences on your own.

### AQUARIUS

(January 21 - February 18)

Aquarius, you may be ready to make a big move in your life, but others may not be there with you just yet. You need to find the timing that works for as many as possible.

### PISCES

(February 19 - March 20)

Pisces, it may not be possible to put blinders on for every situation. However, sometimes it is advisable to look the other way in the name of keeping the peace.

The Ag Society expressed its gratitude to all the players for dedicating a weekend to an annual fundraiser that supports the upkeep and maintenance of the community agricomplex.

His charisma was electric as he posed with the crowd for countless photos and made himself a part of the small community family and their annual charity event.

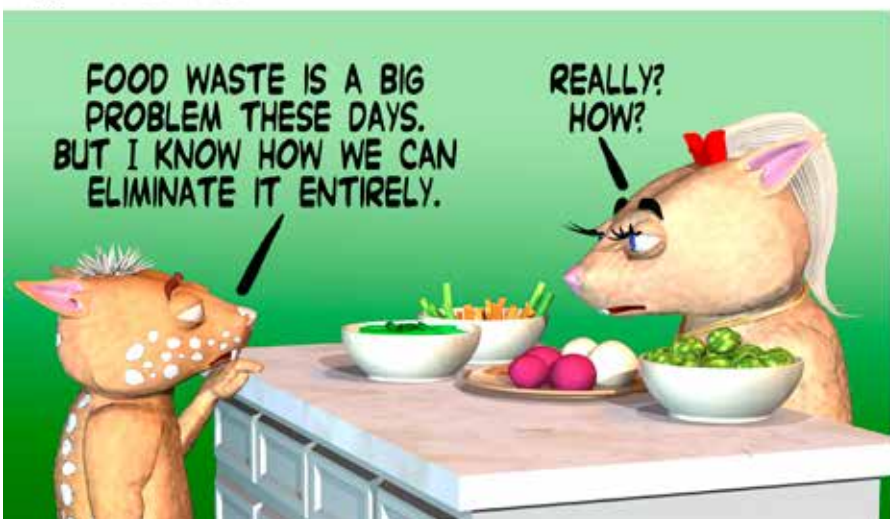

The Smoky Lake Agricultural Society extends its wholehearted thanks to the many volunteers who worked in front and behind the scenes to ensure the tournament and dance went off without a hitch. They continue to express their thanks to all the event sponsors as well as Drew Gregory for putting on such a fantastic and memorable show.

their Kindness Crew on the evening of February 15 with the remnants of Valentine's Day still echoing its emotion of warmth and tenderness. Fabric generously donated by Tanya Halun (Gnome Matter What), was cut in heart shapes, ready for the evening project. The crew embarked on a journey of learning how to create no-sew heart-shaped stuffies that would be passed on at the evening's end.

Scissors snipped along the outside edges, creating the basis for the knots to be tied, holding the heart together. Laughter filled the library as bits of fluff flew around the table and clung to clothes and hands, wafting, and littering the floor with an artificial snowfall of crafting consequences. The design was suggested by Thorhild Librarian, Kathy Passay when she

came across the project on Pinterest. The project was definitely a learning experience but it brought about perseverance and leadership between the younger and older crew members. Struggling hands looked to more dextrous ones to complete the tricky knots and grins radiated with pride as the occasional heart decided its shape should now become a bean. Goal accomplished, not only the completion of the projects, but the purpose of coming together, sharing in happiness, and making others feel good.

The projects did not end there. Once clean-up was complete and a dinner shared, the Kindness Crew discussed the far-reaching impact these hearts could have. The programming was designed to give of oneself and a means of passing on kindness. The idea is to promote comfort, to pass on graciousness

and selflessness, to let a stranger know that someone out there cares, to offer a little drop of hope on an otherwise bleak day. "Squishy is comforting" commented one of the Crew, and a parent volunteer offered her novel poetry, "Here's a little heart to cuddle when your heart begins to crumble."

The Kindness Crew packed up their squishy hearts and headed to chat with the Thorhild Fire Department. The emergency service volunteers were interrupted in their training for a particularly good reason. Over a dozen hearts were gifted to the team to use in emergency service situations. Each heart crafted with laughter and compassion to be passed on when someone is in desperate need of a ray of sunshine, a cuddly, comforting piece of someone else's heart, even if it might be disguised in the shape of a bean.

The Kindness Crew works together to complete their heart projects.

# Smoky Lake Kinette Club serving the area for ten years

By Brandie Majeau

The Smoky Lake Kinette Club celebrated its tenth anniversary in 2023, serving the community in numerous ways throughout its decade of existence. The group consists of a resolute team of volunteers who work together with the sole purpose and commitment of making the Smoky Lake region, as spoken by an enthusiastic team member, “the best it can be!” The Smoky Lake Kinette Club is just a portion of the devotion of service Canada-wide under the umbrella of Kin Canada, established in 1920 as a means to serve communities through service and leadership and dedication.

Smoky Lake Kinette Club proudly fills their role of charitable work and devotedness, passionately recounting the building of the playground in 2018, fulfilling one of the community’s greatest needs. To ensure the success of such projects, the Kinette Club hosts several annual fundraisers throughout the year including, Ladies’ Night, Golf Tournaments, Pancake breakfasts, Beer Gardens, and a variety of fun raffles, such as Wine Survivor. The Smoky Lake Kinette Club is comprised of eighteen diverse members from across the region.

In addition to the hard work and fundraising endeavors, the club focuses on many opportunities to fulfill a need for community and social services. Their impassioned dedication has them donning their elf-like roles during the Christmas season to collect toys and gifts for their annual Angel Tree drive, ensuring no one is forgotten during the holiday season. Their collections extend to the gathering of food and food bank necessities, filling a gap that is often overlooked in small municipalities.

The Smoky Lake Kinette Club is excited to announce their next big project. Partnering with the local school, the Kinsmen, and the Town of Smoky Lake, the club is canvassing the community for its feedback on creating exceptional spaces that will work in association with the current Kin Park and adjacent community spaces. The proposed project is a sports park that will feature fitness equipment and a pickleball court, areas for skateboarding, and multi-use areas including safe walking surfaces. The plans and development of this immense project reflect the input of the members of the community and the devotion of a club. After ten years of community dedication, the Smoky Lake Kinette Club continues with a passion that has not waned after all its years of service.

Please come out and join us. We are in need of people to join the group as we have a few members who are wanting to retire. We are in need of a treasurer and directors. TCA is the group that operates the Community Hall and the Rodeo Grounds. Our three main events are the Easter Egg Hunt, the Rodeo and the Community Christmas Party. We always have lots of volunteers come out to help with these events and we are thankful for that; however, without having a few new people come forward to help organize these event we can not continue. If we get a few more people to help organize and replace our retirees then the events run smoothly and the work load is spread out. We only have about 8 or 9 meetings a year. **If some new people don't step up at this meeting we will have to make some hard decisions about the future of the hall and rodeo as we would not have enough members to run the events past 2024.**

# Family Day memories brought to you by the Town of Redwater

By Brandie Majeau

Family Day emerged with a burst of sunshine. Redwater's volunteer crew had been hard at work in the days leading up to this moment and were eagerly awaiting the doors of Pembina Place to swing open, revealing the magic inside. As the hum of excitement permeated the air, vehicles began to arrive, many already there as several children clamored onto the outdoor rink to enjoy a free skate in the almost spring-like heat of the day. As the clock ticked towards noon signaling the beginning of the event, the smells of popcorn wafted in the air, and families filed into the building, a river of children and their favorite accompanying people, flowed from the parking lot and through those

doors.

Volunteers bustled about guiding kiddos as they weaved yarn into whimsical string monsters, then pointing them towards the Lion's Club and Mayor McRae scooping bags of freshly popped popcorn and finally directing them on to where the rest of the fun awaited. Bouncy houses and inflatable obstacle courses beckoned to toss shoes to the side and play with abandon, jumbo games were spread around encouraging friendly competitions and bursts of colorful paints and sparkles were ready to become enchanting tattoos and fanciful face paintings. The energy radiated throughout the crowd, excitement building as the afternoon continued with endless games and shouts of exhilaration. Visitors

were invited to explore a fire truck and engage with various emergency services personnel.

Hotdogs flew from the kitchen window and scoops of ice cream were passed out to be transformed into tasty melting snowmen sundaes. As over six hundred people passed through Pembina Place in a magical Family Day event, the Town of Redwater recognizes the forty-five volunteers and their 155 registered hours to ensure the day was a success. In addition to the gratitude for the volunteers and community sponsors, a special shout-out is given to the corporate sponsors PTW Energy Services, Wolf Midstream, NWR Sturgeon Refinery, and Conifer Energy. The generous donations were received to make the

big item rentals of the inflatable houses and giant games a reality. In addition to the corporate sponsors, thanks and acknowledgment are expressed to Redwater Public Library, Redwater Curling Club, Redwater Lions Club, Redwater Art Society, Redwater Fire Department, Redwater & District Ag Society, Caterology, and guests the RCMP Redwater-Dispatch.

The Town of Redwater relies heavily on the ongoing support of community volunteers to ensure these events are possible, if anyone feels a call to action to be a part of the many events and would like to sponsor, partner, or volunteer please contact the Town of Redwater at 1-780-942-4101.

1 Jasmine and Rawee learn how to make their own string monsters.

2 Peyton and Blake pull on their skates to enjoy the sunshine and free family day skate.

3 Volunteer, Audrey Petruk, invites children of all ages to take their turn at the giant whack-a-mole game.
