Ag Society launches new equipment rental program

By Brandie Majeau

The Thorhild Agricultural Society is excited to announce the launch of a new program aimed at ensuring that every child in the school and local community has the opportunity to participate in public skating and shinny. Through this program, participants will have the option to rent skates and helmets, eliminating any barriers for those who may not have access to this necessary equipment. The goal is to make skating and shinny accessible to all

children, regardless of their financial constraints. In addition to providing essential equipment to families, the program also aims to encourage children to try skating and shinny without the concern of not having the right gear. This initiative is designed to foster an inclusive environment where no child is left out due to a lack of appropriate equipment. Moreover, the program will also benefit regular skaters and players who may have forgotten their gear,

The Town of Redwater focuses on governing a community and discusses the impact and ways that Redwater community members can participate in the decision-making process. The Municipal Government Act (MGA) requires municipalities to have a Public Participation Policy to involve

residents and stakeholders in decisions that affect them. The policy aims to engage with stakeholders, promote sustainable choices, and provide necessary information for meaningful participation. Consistency is emphasized to ensure fairness, transparency, and trust in decision-making.

There are many ways in which residents and

ratepayers may participate in community determinations. Open Houses & Info Events invite attendance to community gatherings and information sessions to learn about upcoming projects and share your thoughts. Member at Large for Committees encourages residents to consider joining committees to

 building the foundations of our communities through their hard work, profound wisdom, and unwavering dedication.

This week not only recognizes their past achievements but also highlights their ongoing efforts to positively impact lives and communities through their

volunteer work and mentorship. Thorhild Library went the extra mile to express its deep appreciation for its older community members by organizing a

heartwarming event filled with treats and goodies.

The library staff, with their genuine warmth and respect, dedicated a delightful afternoon to express their gratitude to the seniors for simply being themselves. Additionally, the Thorhild County Family Centre joined in the celebrations by inviting their Kindness Counts Crew to partake in an

evening of gift-giving. The Kindness Counts Crew meticulously handcrafted beautiful bookmarks, which were distributed to all the attendees of the Thorhild Library Senior's Tea. This thoughtful gesture added a special touch to the event and underscored the community's commitment to recognizing and honoring its seniors.

A wholehearted

thank you goes out to all the seniors for everything they have done and still do, a thank you for taking the time to come to visit together, celebrate, and share the extraordinary lives they have lived, a thank you to Thorhild County for their confection contribution, and a thank you to all who prepared and served such a wonderful afternoon delight.

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

contribute their expertise and perspectives to meaningful discussions and decision-making processes. Surveys and Polls are a way to provide input and share opinions conveniently and anonymously. Finally, Public Hearings allow the public to voice opinions on specific matters directly to the council and contribute to the decision-making process.

Public hearings are important because they ensure fairness by giving everyone a chance

to speak directly to decision-makers. They promote community involvement and allow people to share their ideas, leading to better choices for everyone. Additionally, holding public hearings when required by law demonstrates adherence to rules and making decisions the right way. This commitment to fairness and transparency in the decision-making process fosters trust and confidence in the community. Overall, public hearings ensure that everyone has a say in the town's affairs,

contributing to a better community for all.

There are also additional ways for community members to provide input to the council beyond public hearings and open houses. These include Public Input Sessions, where community members can speak directly to the council about community issues or projects, and Delegations, where individuals can appear before the council with specific problems or concerns. However, there are limitations on the topics that can be addressed through

these avenues, such as legal matters, privacy issues, and matters already discussed in public hearings but have yet to be decided. These sessions offer valuable opportunities for community members to contribute to the decision-making process and help shape the future of the community.

Public participation is crucial for various reasons. Engaging the community in decision-making processes ensures that the needs and interests of the people are considered. Gathering

input from the public through methods such as input sessions, surveys, public forums, and council meetings is invaluable for making well-informed decisions that directly benefit the community as a whole. This inclusive approach fosters transparency, accountability, and legitimacy in the decision-making process, making each community member a vital part of the town's well-being.

What is a Green Sleeve?

By Brandie Majeau

Smoky Lake FCSS and Family Resource Network are creating awareness for community members and all Albertans to be informed and aware of the personal choices of healthcare intervention/services/support they want if there is an emergency.

They have recently proposed the question, "Do you know what a green sleeve is?" They cite that very few people seem to be aware of a green sleeve, even though it is available to anyone over the age of eighteen.

The Green Sleeve is a specialized plastic pocket that securely holds essential advance care planning

forms. It has been specifically created to house a blank personal directive form and a blank Goals of Care Designation (GCD) order form. If individuals have already completed their personal directive or GCD order, they can simply substitute their completed forms into the Green Sleeve, replacing the blank forms that initially come with the package. This ensures that all critical advance care planning documents are kept safe and organized in one convenient location.

The Advance Care Planning/Goals of Care Designation Tracking Record is a crucial component of the Green Sleeve. It is a tool used by

healthcare providers to meticulously document detailed conversations about a person's personal advance care plan and Goals of Care Designation (GCD). This comprehensive record is to be kept

in the Green Sleeve, serving as a reliable reference for all healthcare providers involved in the individual's care. It is a vital part of the Green Sleeve's functionality.

In times of emergency, healthcare professionals rely

on a Green Sleeve to promptly comprehend an individual's healthcare preferences. It is crucial to ensure that only the latest documents are placed in the Green Sleeve. Healthcare personnel across all care environments may inquire whether

an individual has completed a Green Sleeve.

Green Sleeves can be obtained by asking your healthcare provider or ordering it online. When at home, Green Sleeves should be kept in a place easily accessible to emergency responders, such as on or near the fridge, emergency responders have been trained to look in that area for them. It is also important to take Green Sleeves to the hospital or to personal appointments and then return it to its designated spot once returning home.

Albertans are encouraged to further inform themselves by watching a green sleeves video on YouTube or by visiting MyHealth Alberta to learn more.

Newbrook Library holds annual Senior's luncheon

By Brandie Majeau

The Newbrook Public Library made sure to mark the occasion of Senior's Week with an extraordinary celebration. The "Turn the Page Café" Thursday lunches were momentarily set aside to pay tribute to the remarkable individuals and patrons who enrich the community. The library was transformed into a cheerful and welcoming space on June 6, adorned with colorful decorations and radiating a warm, inviting atmosphere. In anticipation of this event, the Friends of Newbrook Library devoted the preceding day to preparing a sumptuous feast to be shared with the respected seniors, recognizing their invaluable contributions to the community.

As the doors swung open, the room filled with the sounds of laughter and cheerful conversation as guests streamed in. Junior Friends of the Library members eagerly took over for their senior mentors to step into the role of refilling refreshments and ensuring no plate went empty until everyone was full. The air was filled with the delightful aroma of carefully prepared dishes, and the space buzzed with the clinking of cups and the lively hum of animated conversations, creating a vibrant and bustling atmosphere within the library.

The annual Senior's Tea at the Newbrook Public Library is a time-honored tradition that sees the library undergo a delightful transformation each year. Delicate, ornate teacups are carefully brought out of storage, the tables adorned with lace and beautifully arranged plates, all contributing to an atmosphere brimming with joy, laughter, and warm camaraderie.

Newbrook Public Library takes immense joy in opening its doors to the community to host their annual Senior's Tea. It is a wonderful opportunity to show appreciation for the valuable contributions made by each member of the community. They extend their heartfelt thanks to the Friends of the Library board and all the helping hands and dedicated individuals who worked tirelessly to put together an outstanding luncheon. Newbrook Library is also immensely grateful to the County of Thorhild for their generous contribution, a delicious cake for dessert, which added an extra sweet touch to the event.

Vilna/Bellis Citizens on Patrol Annual meat raffle draw

Submitted on behalf of Ron Cyr,
President, Vilna/Bellis
Citizens on Patrol

On November 26, 2023, the Vilna/Bellis Citizens on Patrol (C.O.P.) held their annual meat raffle draw. Usually this is done in

conjunction with the Family Fun Day event which is held to promote awareness of the Citizens on Patrol and let people know new members are always welcome. Instead, we worked with the Historic Vilna Show N Shine organizers to

host a free BBQ and silent auction during their event, but still held our draw later in November to allow extra time for ticket sales. This raffle is our primary group fundraiser and funds raised go to support our voluntary members by

reimbursing them for mileage expenses incurred during their community patrols, liability insurance, and training new and current members.

Citizens on Patrol act as extra “eyes and ears”, for both community and the Police

agency which assists in reducing crime. Any suspicious activities are reported to local law enforcement/RCMP.

Winners from the Meat Draw Raffle consisted; 1st Prize: B. Duenas, Bellis (Meat Package - Value \$1,200.00), 2nd Prize: S. Jacko, Edmonton (Meat Package - Value \$550.00), 3rd Prize: 4 Cash Prizes of \$100.00, C. Starchuk, Smoky Lake, M. Tetrault, Smoky Lake, C. Cumming, Waskatenau, and R. Roskewich, St. Albert. Congratulations to all our winners and a big thanks to Smoky Lake RCMP member Sgt. Anita Doktor for volunteering to draw the lucky tickets! It's exciting to see so many local winners and we appreciate their support in buying tickets.

We would like to thank local businesses for their support in selling our raffle tickets at their businesses and Hamel's Meats in Bonnyville for sponsoring the 1st and 2nd place meat

prize packages and of course, the community for their support. Our next draw will be held on November 24, 2024, and tickets are available from our local members and at local businesses.

We'd also like to thank the Smoky Lake County for their generous donation to our organization and their continued support in keeping our community safe.

If you are interested in learning more about our organization, please check out the provincial Alberta Citizens on Patrol Association at ACOPA.ca and check out our facebook page (Vilna-Bellis Citizens on Patrol). You are also welcome to attend our next meeting on June 13, 2024, at 7 pm at the Vilna Town Office. There is lots of room, snacks, RCMP liaison engagement, and great discussion with our group of community volunteers as we work together to lower crime in our communities!
