

Nova Fun Run – A first for Redwater

By Brandie Majeau

The first Nova Fun Run, a 5km walk/run, was held on June 15, 2024, in the Town of Redwater. The event was conceived during a discussion about the limited availability of activities for women in the area. It was spearheaded by Chrisie Hrycun Norman, who was motivated by a desire to create an enjoyable and purposeful event that would also provide support to local businesses and the community. To bring the event to

Vilna hosts first pool hall run

By Brandie Majeau

On June 15, the Vilna Pool Hall came alive with the spirited energy of veterans and motorcycle enthusiasts as they convened for the inaugural Annual Vilna Pool Hall Run. This momentous event brought together a passionate group of individuals eager to embark on a scenic motorcycle ride, savor delicious burgers, and engage in friendly games of pool (snooker).

known for its unwavering support for veterans and military members, provided a welcoming and supportive environment for the participants.

Amidst the camaraderie, one of the participants expressed, "It's a great reason to go for a ride and get together."

Located conveniently as a halfway point between Cold Lake and Edmonton, the Vilna Pool Hall served as the ideal

life, Chrisie partnered with Dark Sky Nova, a local distillery, and collaborated with additional sponsors to ensure its success.

When the participants joined the run, they not only had the opportunity to engage their minds and bodies and support community initiatives, but they also had the added excitement of being part of an 80s-themed event. The atmosphere was vibrant as everyone dressed up in their best track suits and brightest neon's, meticulously styling and back combing their hair to achieve the ultimate eighties look. As they set out, their brightly colored outfits turned heads and elicited cheers of encouragement wherever they went. Lisa Nydegger clinched first place, earning the ultimate prize package, while Allie Nikolai from Pasemko Farms good-naturedly finished last, pushing a baby stroller and received her last place

prize of garlic dip. The group concluded the event with a hearty BBQ, skillfully served up by their very own eighties hair metal star, Darren Norman.

The fun run attracted close to twenty participants and raised over \$1000. The Nova Fun Run selected Ochre Park School to be the recipients of this year's proceeds and the school has decided to use this donation to put towards their outdoor learning space, a composter, gardening tools, and seeds. Chrisie Hrycun Norman offered a huge thank you to Kristina Videck of Dark Sky Distillery for partnering with her to make this event happen. A special thanks goes out to the following sponsors for being a part of making the first Nova Fun Run such a success: Redwater IGA, Overtime Sports, Redwater Home Hardware, Redwater Fitness Center, Tylor and Charissa Halonen, Purechem (Troy Lyons), Cheryl Lynn Boyko Jewelry,

Conifer Energy, Lisa and Bryan Nydegger, Ty-Wire Electric, Stefen and Jessica Van Last, H2H Designs, Kathy Miller, Annie and Ardy's Gourmet Goodies and Krissy Makes Cupcakes.

The inaugural Nova Fun Run, which was themed around the vibrant and colorful 80s era, garnered tremendous success and positive feedback due to the enthusiastic participation and generous contributions of all the participants, volunteers, and sponsors. Owing to its triumphant debut, the organizers have announced that the event will be returning next year, promising an even more exhilarating and enjoyable experience for all those who join in.

meeting ground for the riders, further solidifying its position as a

beacon of support and appreciation for the dedication and sacrifices of those in the military community.

The event experienced lower rider turnout than initially anticipated, mainly due to the unpredictable

weather forecast. However, organizers remain optimistic about its potential for growth in the coming years. Aside from the ride, the Vilna Pool Hall Run also included an engaging and spirited snooker tournament that struck the perfect balance between friendliness and competitiveness. Rather than the typical trophy, the tournament winner was honored with a commemorative coin. Interestingly, snooker trophies are surprisingly hard to come by, and this one came all the way from England through an eBay.

The gathering was abuzz with the rhythmic clatter of pool balls, the tantalizing aroma of burgers sizzling on the barbecue, and the joyful blend of laughter and animated conversations. The atmosphere exuded a sense of warmth and inclusivity.

While some attendees viewed it as an opportunity for a leisurely

ride, those who had served in the military and their supporters cherished the extraordinary sense of camaraderie and fellowship that flourished among both former and current veterans.

The pool hall served as the perfect backdrop to foster these fundamental values and bonds of friendship. Jim Sharkey, vice president of the Frezenberg Unit out of Edmonton and a proud veteran himself, epitomized the spirit of the event as he wholeheartedly welcomed riders and visitors alike. On a historical side note, the Frezenberg Unit was bestowed with a Battle Honor as a recognition of their valor and commitment during the 2nd Battle of Ypres. This battle marked a pivotal moment for the Canadian forces as it represented their first major engagement on the Western Front during World War I. Each unit proudly wears their

The ritual of attending veteran bike rallies and runs holds great significance for many. It provides an opportunity to calm the mind, mend a troubled spirit, or simply revel in the sensation of the open road slipping away beneath them. As bikers travel across towns, between cities, or even across entire provinces, Vilna Pool Hall has solidified its position as a pivotal detour and rest stop. It has become a place where veterans and travelers can pause and recharge as the miles roll by beneath their tires.

The Vilna Pool Hall Run snooker tournament "trophy" was presented to winner, Harmony Thomas.

Newbrook 4-H Aggregate Winners. Member collect points through the year for attending meetings, completing record books and participating in Achievement Day. The winners were: junior Raelynn Ollikka, intermediate Makenna Ollikka and senior Gavin Ollikka. Sponsor of the buckles is Crop Management Network.

Poultry members Waylan shwetz, Brinell Beatch, Ruby Olah and Jacob Stevens.

The Newbrook 4-H Club held their livestock achievement day on June 7. Members in the beef, swine and poultry projects gathered at the Victoria Trail Arena in Waskatenau at 9:30.

We had our food members hold their achievement day on May 26 in Newbrook, and the horse project members on June 2nd in Waskatenau. We also had members that participated in a carcass project, and they had their viewing on May 14.

Members started the day with unloading their animals and getting set up. At 10:30 all of the market steer projects were weighed on our new club scale. Thank you to Chad Ollikka for helping us with this purchase. This year the steers ranged from 825 pounds to 1795 pounds. There were a few cranky animals in the beginning, but everyone calmed down as the day went on. We had 24 market steers, 4 heifers, 1 cow/calf pair, 5 market swine and 4 poultry projects.

Throughout the day our Cleaver Kids held a small concession with treats and goodies for our families and audience.

Members took a break for lunch. Thank you to North Corridor Co-op for providing us with hot dogs and buns.

Members got busy with their animals and our show started at 1:00. Our judge this year was Dan Skeels. The day started with our 4 heifer projects. All our projects were owned and shown by junior members, and they had a challenge as the heifers were just not happy. The Grand Champion Heifer was shown by Raelynn Ollikka and Reserve Champion went to Daniel Kozma.

At the beginning of the year, we had 4 cow/calf projects registered but unfortunately only 1 two-year-old pair made it to show. Jacob Hyde brought in his pair and received an award for completion of his project this year.

We then moved onto our grooming and showmanship classes. Our

 judge for these classes was Mitch McCrady. Members are split into their age category and judged on how they have groomed and prepared the animal for show and then how they show that animal. Showmanship results are as follows: Junior 1st - Alyssa Ollikka, 2nd Raelynn Ollikka. Intermediate 1st - Willow Lyons, 2nd Makenna Ollikka. Senior - 1st Gavin Ollikka, 2nd

Denver Lyons. Grooming results: Junior 1st - Daniel Kozma, 2nd Raelynn Ollikka. Intermediate - 1st Maddox Day, 2nd Makenna Ollikka. Senior 1st Shelby Dowhan, 2nd Gavin Ollikka. After the completion of the showmanship and grooming classes the beef members took a break for the poultry and market swine members. We had 4 poultry members. Each member raised 3 chickens for sale and butcher. Members

brought their chickens into the ring and followed the judge's instructions on how to check their eyes, wings, bodies etc. The members had to do this presentation in front of the audience and in the end, all received an award for their hard work. The market swine members now had their chance in the ring. All the swine were brought in at the same time and members had to work hard keeping their pig away from the others so that the judge could see them at all times. Members were judged on

confirmation, grooming and showmanship. Grand Champion Swine belonged to Carter Ollikka and Reserve to Carter Stevens. Grooming 1st Annabelle Stevens, 2nd Mackenzie Stevens. Showmanship 1st Carter Stevens, 2nd Gavin Ollikka. Beef members returned to the ring with their market steers. We had 4 classes of steers and then an overall class. In the end Grand Champion Steer went to Alyssa Ollikka and Reserve Champion Steer to Cohen Ollikka.

This year's winner for rate of gain was Makenna Ollikka. The members had a good day showing their animals and their hard work through the year paid off at the sale. We had over 50 buyers register for our sale at 5:00. We cannot thank our buyers and community enough for your support of our club. The sale started with our chicken projects. Chickens were sold as a pen of 3. The average price per bird was \$323. The lowest price was \$185 to the highest at \$450 a bird. The market swine was

next to sell. The average for the swine was \$1090 per animal. Then we had our market steers sell. Our lowest price per pound was \$3.50 to the highest at \$5.30. The average at the end was \$4.27/lb this year. A huge thank you goes to Waste Management for purchasing a steer and then donating it back to our club to resell with proceeds going to the club. We want to thank all of our supporters: the community, our families and friends for supporting our club and the members.

Understanding grief and loss

By Brandie Majeau

When a community member approached Thorhild County Family Resource Centre inquiring about services for dealing with grief and the grieving process, Thorhild FCSS collaborated with Rural Connections and Alberta Provincial Family Resource Network to enlist the services of Jody Cook, a Clinical Social Worker. Held at the Radway New Horizons Drop in Center, Cook facilitated the workshop "Understanding Your Grief and Loss" and acted as a soothing

guide to help participants find their way through the battlefield of personal grief. During the workshop, Jody Cook encouraged participants to share their personal stories and experiences, emphasizing that they could do so at their own pace and comfort level. She guided them through various tools and strategies, such as breathing exercises, visualization techniques, and healthy coping mechanisms, to help them navigate their grieving process. Cook reassured them that their feelings were valid, emphasizing that they

were not alone in their grief. "You're not crazy, you're grieving." She spoke softly and offered gentle encouragement, urging them to allow themselves to fully experience and acknowledge the physical and emotional effects of grief. Cook acknowledged the difficulty of being vulnerable, highlighting the unique and individual nature of the grieving experience for each person. The Understanding Grief and Loss workshop was thoughtfully prepared with an ample supply of tissues

 and a welcoming atmosphere to encourage open conversations, personal reflections, and shared experiences. Radway New Horizons Drop in Centre was transformed into a safe haven where individuals felt comfortable expressing their emotions, offering support through tears and hugs, while also finding moments of levity and hope amidst the pain of loss. There was a shared recognition that life can be painful, but there was also an emphasis on self-compassion and allowing oneself to find moments of respite.

Participants in the workshop expressed how the experience had been deeply healing and transformative. They found the group to be incredibly supportive and were amazed by the amount of

unexpected wisdom and insights shared by everyone. The connections formed were so powerful that they hoped to stay in touch and continue supporting each other. Tammy Kuefler, Thorhild Family Resource Network Coordinator, expressed her heartfelt regret that there wasn't a local support group like this available on a regular basis, as the participants had uplifted each other and shared valuable personal strategies for coping. Jody Cook provided a beautiful foundation for this workshop as she guided them through it all, explaining the goal was not to reach an end point but to find yourself on the journey, the right now. It was a gentle reminder that each person has control of their own narrative to turn the page of your own story and bit by bit, keep moving forward.

NOTICE – PUBLIC HEARING Proposed Amendment of Land Use Bylaw 1194-2015

On proposed Bylaw 09-2024 which would amend Land Use Bylaw 1194-2015, by adding and deleting the wording of definitions below to the General Administrative Procedures – Section 1.7 Definitions and adding Recreational Vehicle (Park Model only) as a discretionary land use within the Long Lake Residential District as follows:

Section 1.7 Definitions -

Definition of **Park model**:

- **"Park model"** means a type of recreational vehicle; however, for the purposes of this Bylaw, park models are not allowed in any District within this Land Use Bylaw unless either recreational vehicles or recreational vehicle parks are listed as a permitted or a discretionary use within the District, and, further, that a park model has been specifically identified and approved by the Development Authority within an approved development permit. **The approval of a Park Model by the Development Authority shall be a discretionary use, regardless of whether recreational vehicles or recreational vehicle parks are listed as a permitted or a discretionary use within the District.** As well, park models shall not be used as dwellings within the municipality.

Definition of **Recreational vehicle**:

- **"Recreational vehicle"** means a vehicular type of unit primarily designed as temporary living quarters for recreational camping or travel use, which either has its own motor or is mounted or drawn by another vehicle. Recreational vehicles include travel trailers, camping trailers, truck campers, 5th wheels, or motor homes, but not manufactured homes, **a park model**, a garage package, or a cabin on any sort of transportation device such as skids or wheels up to a maximum interior space of 75 m² (807.3 sq. ft.). Any vehicle larger than 75 m² (807.3 sq. ft.) in interior space shall be considered to be a manufactured home for the purpose of this Bylaw.

8.8 RL - Long Lake Residential District, (3) Discretionary Uses

Existing **Long Lake Residential District**:

- That **Recreational vehicle (Park Models only)** be added as a discretionary use under the discretionary column to the Long Lake Residential District.

NOTICE THAT in accordance with sections 606 of the Municipal Government Act, the Council of Thorhild County is giving consideration to a Land Use Bylaw Amendment. The Public Hearing will be held both in-person and via zoom (audio only) on:

Sunshine and Lemonade Stands

By Brandie Majeau

On June 15, a sudden burst of sunshine broke through a week of cool, uncertain, and rainy weather, casting its golden light on the eager faces of the young entrepreneurs. After hours of dedicated training and meticulous preparation, the participants of Lemonade Day finally had the chance to highlight their hard-earned achievements, with the warm rays of the sun bringing a sense of profound relief and anticipation to the air.

Lemonade Day was established in 2007 in Houston, Texas and has since grown to encompass more than one million children across the United States, Canada, Bermuda, and 6 US military bases. This initiative encourages children to set ambitious goals, work diligently, and

pursue their dreams. In rural communities, children enthusiastically completed their training, obtained permits, constructed eye-catching stands, and prepared their secret lemonade recipes, brimming with anticipation as they eagerly awaited the arrival of their first customers. Their determination and hard work shone through in the bright smiles on their faces.

The lemonade stands and business names were each uniquely crafted, reflecting the creativity of the young entrepreneurs behind them. There was an undeniable sense of anticipation as they eagerly awaited each new customer to take their first sip. Lemonade Day's dedication and success filled their eyes with hope, as they envisioned these ideas beyond just a stand on the sidewalk. The

impact of the three S's—share, spend, and save—extended far beyond the fleeting moments when their ice-cold, slightly tart lemonade quenched the thirst of passersby. To those who stopped for a drink, it was a delightful and refreshing treat. For the budding business owners, the lessons of responsibility and financial literacy would continue to resonate long after that day.

Throughout the country, youth in both rural and urban areas have invested their time and energy in designing distinct and innovative lemonade stands and experiences. It is truly heartwarming to witness the dedication and effort they have put into creating these magical and inviting lemonade worlds. They deserve a round of applause and pat on the back for the outstanding work they have accomplished.

Siblings Isabella, Allyson and Annalise Flondra cleverly named their lemonade stand after a mountain range, 3 Sisters. The proceeds from their stand will partly go to the church and the rest into savings. They said it took them several days to organize but they had a steady stream of customers that made it all worthwhile.

Emma, Maisy, Myles and Kate were excited to share that half of the money earned for Lemonade Day would be donated to homelessness, but the other half was going to be spent on toys and candy. And Maisy proudly pointed out their personalized Lemonade Day shirts her mom made for them.

Axton & Bryson Makin worked for about 2 weeks on their stand and set-up, there were lots of tears, lost tools and a broken hammer during the creative process. Bryson explained they would be donating some of their money to the Ronald McDonald House, spending some on a dirt bike and saving - very seriously explaining his family would be buying a new house.

Amelia Lahti and Katie Murphy are splitting their earnings half and half, Katie talked about using some of her for a Father's Day gift. Katie and her uncle worked about 3 weeks on the stand and Amelia brought all the lemonade supplies.

Town of Smoky Lake councillor, Evelynne Kobes, presents 3 Sisters Lemonade Stand with the Area Entrepreneur of the Year and Best Tasting Lemonade awards.

Alberta Walk Project

By: Olive Zolkewski
Thorhild Central School
Grade four student

In grade four social studies we learned about the six regions of Alberta. At the end of our unit, we built an Alberta walk. An Alberta walk is a place where we display items that are significant to Alberta. I chose to display Frank Slide graphic novels because they represent the Rocky Mountain region where the Frank slide happened.

The Frank slide happened in 1903 when Turtle Mountain collapsed blocking a mine and the rock crushed the town of Frank. My graphic novels are about how Turtle Mountain collapsed. Turtle Mountain collapsed because when people were mining it caused the mountain to shift so the top of the mountain slid onto the town of Frank and blocked the mine. Only a few people survived the Frank slide. Some people got trapped in the mine, but other homes were

crushed. The Frank Slide happened at night so most people were sleeping when it happened. In the Rocky Mountain region there is a lot of coal which provides lots of jobs so that's why people were living and working in the Rocky Mountain region.

That is why I chose to display the Frank slide graphic novels on our Alberta walk.

By: Tucker Guglich
TCS Grade 4 Student

In grade four social studies we learned about the six geographical regions in Alberta. At the end of the unit, we were allowed to bring an item to display from any region showcasing our Alberta walk! The items we brought are on display outside our classroom and it looks awesome! There are very unique items like a bison skull, an owl and even a black bear! The only item that two people brought were deer sheds (antlers).

I brought an over

100-year-old hammer head and mortar that was found half a mile from my place! My great Grandpa Raymond found it on what is now my grandpa's field when they were working the land. It was found 65 years ago on September 3, 1959. I also brought a newer style mortar

Bruchal, Anelma

April 30, 1960 - June 8, 2024

It is with sadness that we announce the passing of Anelma Lee Bruchal.
On June 8, 2024, Anelma went home to be with her Lord and Saviour after a courageous battle with cancer.
Left to mourn her passing is her husband Jim, children Jessica (Chad), Rachel, Clinton (Meaghan), grandchildren Raelynn, Alyssa, Jagger, and

Radek, and sister Norma.
As per her request there will not be a public service.
A private memorial will be held at a later date.
We wish to thank family and friends for their prayers and support.
The family expresses their heartfelt gratitude to the Cross Cancer Institute and Rivercrest Care Centre in Fort Saskatchewan.

and pestle to put on display to show how a mortar and pestle was used to grind wheat into flour. Most hammerheads are made of metal these days, yet the hammer head and the pestle are both carved out of stone by First Nations peoples. The region it was found in is the Boreal Forest Region. Despite the uses, the hammer head and the pestle have significance to any region. I think it is important to the Boreal Forest region because, the hammer head and the pestle were used a long time ago. The hammer was used for

making house's and pounding post's into the ground; the pestle was used for grinding up wheat so people could make flour and then they would make fresh bread.

I really liked this social unit because we learned about all the regions of Alberta,

and we got to bring any item to display for people in the school. It was awesome to see all the different items my classmates brought. Living in Alberta is great because of all the nice people, the regions, all the hockey we get to play and our history.

SCHOOL NEWS

Thorhild Central School

The Grade three class at Thorhild Central School showed their appreciation to their reading buddy volunteer, Carla, for all of her wonderful help in assisting the students with their reading practice.

On Friday, June 14, Thorhild Central School celebrated National Indigenous People's Day with various activities that appreciated and honored Indigenous culture. The day featured powwow dancing, bannock frying, art, games, and teachings. Special thanks were given to Elder Adam North-Peigan from Pikania First Nation and knowledge keeper Kyle Campiou from Driftpile First Nation for sharing their stories and teachings.

Thank you

The family of Lillian Lewchuk would like to thank you all very much for the cards, flowers, donations and kind expressions of sympathy shown following her sad passing. Your presence, kindness and prayers was very much appreciated and of great comfort during this difficult time. Thank you to Reverend Father Benny Ambrosie for officiating the funeral of our mother, baba and great baba, Steve Zarusky of Park Memorial for his assistance, Louella Tychkowsky of The Floral Farm for the absolute beautiful flowers that were present and to Brenda Hrycun for the delicious lunch.

Notice to Smoky Lake County Ratepayers Mailing of Combined Assessment and Tax Notices 2024

Notice is hereby given that the combined tax and assessment notices have been mailed as of June 14, 2024 to all property owners in Smoky Lake County. In accordance with Section 311 of the Municipal Government Act, Chapter M-26 R.S.A. 2000, all persons are deemed to have received their combined tax and assessment notices as a result of this notice.

The assessment roll is open for inspection at the County Office, 4612 McDougall Drive, Smoky Lake, Alberta during the business hours of 8:00 a.m. - 12:00 p.m. and 1:00p.m. - 4:00 p.m., Monday to Friday, by appointment. Please call the County Office at 780-656-3730 to arrange for an appointment to inspect the assessment roll. Any person who desires to object to the entry of their name or that of any other person upon the said roll or to the assessed value placed upon any property must by August 26, 2024, lodge their complaint(s) in writing to the Chief Administrative Officer of Smoky Lake County.

A 12% penalty will be applied to any current taxes owing after **October 31, 2024.**

If you do not receive your tax notice or have any other questions, please contact the County Office at 780-656-3730.

DATED this 14th day of June, 2024.

Kevin Lucas
 Chief Administrative Officer, Smoky Lake County
