

What is Alberta Open Farm Days?

By Brandie Majeau

Open Farm Days is a unique annual event held in Alberta, Canada, where farms from all over the province open their gates to the public.

The event experienced tremendous success in 2023, with more than 130 farms

participating and generating \$300,000 in direct farm sales.

In 2024, organizers are anticipating an even larger turnout. In addition to the host farms, ten agricultural societies from Crossfield, Spruce Grove, Heritage, Coaldale, Grande Prairie, Smoky Lake,

Stettler, Lac La Biche, Big Country, and Rocky Mountain House participated.

Open Farm Days is not limited to farms alone but also engages businesses like breweries and distilleries that utilize and produce local agricultural products.

Activities at the

participating locations are incredibly diverse, ranging from petting zoos to intricate sunflower and corn mazes, ensuring there is something for every visitor to enjoy.

Smoky Lake market was an interactive experience

By Brandie Majeau

On a sunny August 17th, the air at the Smoky Lake Farmers Market was filled with the sweet aroma of freshly baked goods and the sounds of excited chatter.

It was a day like no other as the market celebrated Open Farm Days in style, showcasing the best of local talent and culinary delights.

As visitors strolled through the bustling market, they were greeted by the familiar faces of the regular merchants, each passionately sharing their unique products and stories with the eager patrons.

Amidst the familiar, there were new and exciting attractions that captured the attention of the crowd.

One such attraction was the mesmerizing

live beehive created by Bear Lake Honey.

The hive showcased the intricacies of bustling bees and provided valuable information on the crucial role of pollination.

But it was not just a display - visitors were given the rare

opportunity to gain experience about creating their own bee house and were even challenged to spot the elusive queen bee among the bustling activity.

Redwater hosts a weekend of discovery

By Brandie Majeau

Redwater Discovery Days was a vibrant weekend, offering a diverse range of activities and entertainment.

The excitement kicked off with the highly anticipated annual bench show and ball tournament on Friday, August 16th, followed by an outdoor movie at Redwater School as the sun dipped below the horizon.

The thrill continued to mount on August 17th, with a spectacular parade that seemed to be of superhero proportions.

Throughout the day, Discovery Days spread its excitement across the entire town, drawing guests from far and wide to join in the fun.

Saturday was a taste for the senses, a morning pancake breakfast, hot dog and sandwich & pie

sales at the Pioneer Club, a Legion BBQ Supper, and a diverse selection of food vendors offering everything from ice cream to mini donuts.

The town was alive with music and the tantalizing aroma of grills firing up, creating a festive atmosphere.

The sounds of laughter and splashing from the free swim event at Redwater's outdoor pool echoed through the streets, mingling with the buzz of activity at the Show & Shine car event.

Meanwhile, the Redwater School grounds buzzed with the energy of the ball tournament, featuring not only competitive sports but also an array of inflatable bouncy castles, obstacle courses, the iPlay Game Theater, a petting zoo, musical performances, and the incredible

talents of children's entertainers and balloon twisters.

Additionally, AARCS (Alberta Animal Rescue Crew Society) set up a booth to educate and engage visitors about their services while providing a chance to meet and potentially adopt some furry companions.

The Saturday festivities culminated in a breathtaking fireworks display, a sight that left everyone in awe. Even

as the ball tournament concluded on Sunday, the entire weekend was a highly anticipated event that certainly lived up to expectations.

The Redwater & District Agricultural Society orchestrated a remarkable weekend, and recognition was extended to the event's sponsors and the dedicated volunteers who made Discovery Days a truly memorable experience.

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Alberta Open Farm Days
Continued from page 1

is the introduction of special themes for the event, with 2024 being designated as the Year of the Alpaca.

This aligns with the United Nations declaration of 2024 as the International Year of Camelids, presenting a unique opportunity to highlight the significance of alpacas in Alberta's agriculture.

This special theme will provide visitors with a unique opportunity to gain experience about and interact with these fascinating animals.

This enriching event presents Albertans with the chance to gain insight into food production, connect with local farmers and food producers, and experience the farm environment firsthand.

Open Farm Days is a collaborative, province-wide, two-day

affair that provides participants with an exclusive opportunity to meet the farmers, explore agricultural tourism in Alberta, and savor local produce directly from the source.

It is not just a visit; it is an interactive experience that will leave you with a deeper appreciation for Alberta's agriculture.

Having been a part of Canada for over a decade, Open Farm Days originated in the Maritimes and gradually expanded to the west.

This event serves as a lively showcase of Alberta's vibrant agriculture and tourism industries in a fun, engaging, and meaningful manner.

Open Farm Days took place on August 17th and 18th, 2024.

If anyone missed out on this amazing opportunity, look forward to Alberta Open Farm Days in 2025.

Town of Redwater gets on top of potential water leaks

By Brandie Majeau

It is essential to stay informed about water leaks and how they can impact your utility bills.

Water leaks can go unnoticed, costing both water and money.

The Town of Redwater is committed to shedding light on this issue and helping you understand the billing process, how potential leaks are detected, and what can be done

to prevent surprises on individual water bills.

Redwater operates on a monthly billing cycle to ensure timely and accurate readings.

Meter readings are completed at the end of the month, and utility bills are generated by the 10th of the following billing month.

Any accounts with unusual readings are reviewed during this period.

If water consumption exceeds 30 m³ or

if there is a zero read, the account is manually reviewed.

If the usage seems abnormal, a manual read is performed, and we will contact you to discuss the potential issue.

If a meter is suspected to be broken, it is flagged for review after billing.

The Town of Redwater prepares a 3-month average for those without a reading and sends a letter to the resident.

The utility staff will

also conduct another read to confirm if the flow has stopped.

Redwater also makes potential leak calls for any account with a reading over 30 m³ of water or a zero reading to catch and address leaks early, minimizing any possible damage or financial strain on residents.

If residents suspect a leak, they can perform a simple test by turning off everything in their home and checking their

water meter. If it is still moving, there is likely an active leak.

There are also various checks one can perform, such as inspecting toilets, fixtures, pipes, hose bibs, and irrigation systems and monitoring personal water bills for any unusual spikes in usage.

The Town of Redwater's variable rates for water consumption are \$3.2625/m³, along with a 45% charge on the consumption rate for

sewer rates.

To explain potential costs, a running faucet leaking one drop per second can waste up to 3.7 m³ of water per month, costing approximately \$12.00. Remember, by catching leaks early; residents can avoid unnecessary expenses and keep utility bills in check.

If anyone has any questions or needs assistance, please feel free to contact Town of Redwater utilities staff at 780.942.3519.

5105 45 ST SMOKY LAKE

Welcome to this 1180 sqft bungalow in Smoky Lake. This move-in-ready home boasts numerous recent upgrades, including appliances, main floor windows, shingles, the main bathroom, vinyl fencing, basement flooring, and air conditioning. The main floor of this 3-bedroom home features a lovely kitchen with a dining area, a spacious living room, and a beautiful 3-piece bathroom. The basement offers an additional bedroom, a 4-piece bathroom, a recreational area, and a laundry room with ample storage. Outside, the expansive yard includes a two-tiered deck, a single-car garage, a garden shed, and plenty of space to park all your toys.

5217 44 AVE, SMOKY LAKE

1480 square foot bungalow with two bedrooms up and additional one in basement. Main floor laundry room could easily be converted back to a bedroom for 3 up. Central air conditioning. Wood burning fireplace, main floor family room, large covered deck, triple style garage and large jacuzzi room, sauna in basement. Home could use a little TLC as it has been a rental for 18 years. Loads of potential and very unique.

5343 61 ST, REDWATER

Beautifully maintained bilevel home with central air conditioning, located at the end of a quiet street. The main floor features 2 bedrooms and a 4-piece bathroom, a living room with a large picture window, and a kitchen that opens onto a covered deck. The basement includes an additional bedroom, a rec room with a wet bar, a 4-piece bathroom, a laundry room, and plenty of storage space. The backyard offers space to build a garage or create your own oasis, with green space behind the fence. This home has numerous upgrades over the years, including new shingles, furnace, hot water tank, air conditioning, electrical panel, some flooring and windows, front door, concrete sidewalk and driveway, kitchen countertops, bathroom fixtures, and more.

5116 52 ST REDWATER

Charming bungalow featuring a brand new 26x30 detached garage with a separate 100A panel, connected to the home's upgraded 200A electrical service. Recently enhanced with a vinyl fence, storage shed, and a newly installed rear deck. Originally a three-bedroom layout, the upper level has been thoughtfully reconfigured into two spacious bedrooms, with the third bedroom converted into a generous dining area. The main floor offers a large kitchen, a bright living room with hardwood flooring, two well-sized bedrooms, and a 3-piece bath. The basement is well-lit with large windows, offering a cozy bedroom, a family room, a hobby area, a cold room, laundry, a furnace room, and a convenient 2-piece bath.

5132 52 ST, REDWATER

This 1140 sq ft bungalow is situated on a quiet street in Redwater, conveniently close to Redwater School, Pembina Place (hockey arena), a golf course, and an outdoor pool. The main floor includes three bedrooms, a four-piece bathroom, a front living room, a dining area, and the kitchen. The basement features two additional bedrooms, a three-piece bathroom, a recreational area, and a laundry room. The backyard has a massive vegetable garden, fruit trees, a fully fenced yard with a storage shed, a greenhouse, a pergola, and an oversized single garage. Some upgrades over the years include metal roofing on both the house and garage, high efficiency furnace with central A/C, new kitchen countertops, and some updated flooring.

4816 50 AVE, REDWATER

Here's an opportunity to purchase a profitable business along with its property, with no leases involved. This turnkey pet grooming business is currently in operation, featuring all newer equipment. It presently operates only four days a week, but the owner states it could easily run seven days a week and still be booked well in advance. Take the chance to be your own boss today!

Sturgeon County now recruiting paid on-call firefighters

Applications accepted until September 8, 2024

Sturgeon County Emergency Services is expanding its team of paid on-call firefighters at its stations throughout the County.

"Our firefighters are dedicated to protecting the public

and their property, and, because of them, we are here to respond to emergency calls any time of day, every day of the year. We are looking to expand our team of professionally trained paid on-call

firefighters and encourage the public living near our fire stations to consider this rewarding opportunity." **Chad Moore, Fire Chief**

Paid on-call firefighters receive professional firefighter

training at no cost.

This training is recognized across North America and can jumpstart a rewarding career in firefighting.

Individuals living in or around Bon Accord, Calahoo, Legal, Namao or Redwater are encouraged to apply by September 8, 2024, at SturgeonCounty.ca/Careers.

Paid on-call firefighters are paid hourly for responding to emergencies,

attending weekly training, attending courses, and participating in approved public engagement activities; pay starts at \$21.99 per hour.

All uniforms and equipment are provided, and no previous experience is needed.

Application requirements

To apply to become a paid on-call firefighter with Sturgeon County Emergency Services, you must:

- Live within 10 kilometres of the Bon Accord, Calahoo, Legal, Namao or Redwater fire stations.

- Be at least 18 years old.

- Have a valid Class 5 driver's licence.

- Provide a vulnerable sector check and driver's abstract.

Applications are accepted online until September 8, 2024.

Learn more at SturgeonCounty.ca/Careers.

Derailed: Major disruptions to supply chains due to rail work stoppage

ATB ECONOMICS

COVID was a powerful reminder of how interconnected our world is. If you can't get computer chips from Taiwan, you can't build cars. If you can't get bike components when there's a biking boom, shortages ensue.

In the post-pandemic world, we have new reminders. Russia's invasion of Ukraine pushed up food and energy prices; conflict in the Middle East curtailed shipments via the Red Sea; the strike at the Port of Vancouver sharply reduced Canada's trade with Asia last summer.

Now a simultaneous labour stoppage, beginning at 12:01 on August 22, has ground to a halt the two main rail lines in Canada (CN and CPKC).

About \$380 billion of goods and services are transported by rail annually in Canada according to the Railway Association of Canada, or about \$1 billion daily. This includes large shipments of food, fuel, wood, chemicals such as fertilizer and propane, and intermodal containers full of a wide variety of goods.

In Alberta, international merchandise exports alone (i.e. excluding interprovincial shipments) totaled \$20.2 billion by rail in 2023 or about 12% of the province's total international exports. That represents \$55 million per day and more than any other mode except pipelines. But consider that most of Alberta's exports flow via pipeline.

Removing the 'other' category (mainly pipelines), the share was more than one-third. Further, much of Alberta's exports are moved by rail to the Canadian ports and transported by water. Last year, \$17.9 billion in Alberta's international exports were transported via ship - but that doesn't happen unless these goods find their way to the ports.

As shown above, the value of rail exports exceeds what is shipped by road, and there are both physical and labour constraints to switching modes.

Change to Consumers' Choice program regarding community newspapers

Canada Post respects Canadians' choices when it comes to receiving unaddressed advertising mail delivered by their postal service. That's why our Consumers' Choice program offers a simple way for Canadians to stop receiving it.

Community newspapers are currently exempted from the Consumers' Choice program. However, to respect Canadians' choices, we are updating our approach to the delivery of community newspapers that contain commercial inserts. Effective January 8, 2024, community newspapers with commercial inserts or enclosures will no longer be delivered to addresses that are signed up for the Consumers' Choice program.

We will continue to deliver public interest materials to all addresses. This includes community newspapers (and community newspapers with inserts of a public interest nature). It also includes mailings from elected representatives, political parties, government departments and agencies at the federal, provincial, territorial and municipal levels, as well as band councils. Visit canadapost.ca/consumerschoice to learn more.

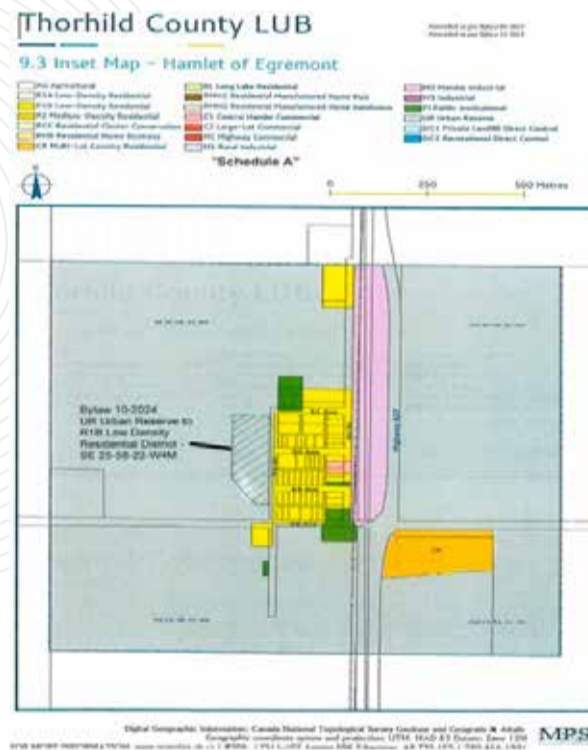

Consumers' Choice Acknowledgement Notice (33-086-558) will be updated to reflect this change. This will be effective October 2, 2024. You may not receive newspapers in your mailbox effective this date.

FULL QUARTER IN THORHILD

Nice mixture of grass land and mature trees. Nice building sites in the trees with power running along the road south of this property. There was a gravel pit that has been mostly reclaimed. Nice hard pad still there which would be great for a shop and parking area. Some black dirt still piled up and a bit of gravel piled there. Seller is willing to spread this however buyer would like. Good 5 strand barbed wire fence and a dugout in the northeast corner so would make great pasture land. Only 2 miles south of pavement and close to Half Moon Lake. Build your house and have land to raise a few animals. Or use it for hunting, quadding and snowmobiling. **\$399,900. Call Heather for mor info.**

77.16 ACRES NEAR EGREMONT

Fenced pasture land located just two miles west of Egremont (a few minutes north of Redwater). Lots of great building sites with power lines running on both the range road and township road bordering this property. A nice mixture of open land and large mature spruce, pine and poplar. Approximately 40 min to Edmonton. Nice spot to start your own small hobby farm, weekend retreat or rent the land out in the summer and use it for hunting in fall. **\$225,000 plus gst. Call Heather for more info.**
